

"Where the mind is without fear..."

Redefining the experience of schooling

Ravindra Bharathi Global School (RBGS), India's leading Educational Portal, draws inspiration from Vishwakavi Rabindranath Tagore, who had the foresight to dream of humanity as one large family. His philosophy has always been our beacon light. RBGS firmly believes that education, an insatiable journey, should be a fun-filled and challenging experience, where inculcating the best of Indian values go hand in hand with cultivating a global outlook.

"Don't limit your child to your
own learning, for he was born in
another time."
- Rabindranath Tagore
