

PROSPECTUS
SESSION 2021-22

KINGSTON MODEL SCHOOL

A Unit of Kingston Educational Institute

DISCOVER.
ASPIRE. ACHIEVE.

“Where the mind is without fear
and the head is held high,
Where knowledge is free.
Where the world has not been broken up into
fragments by narrow domestic walls.
Where words come out from the depth of truth,
Where tireless striving stretches its arms towards perfection.
Where the clear stream of reason has not lost its way
into the dreary desert sand of dead habit.
Where the mind is led forward by thee
into ever-widening thought and action
Into that heaven of freedom, my Father,
let my country awake.”

THE FOUR PILLARS OF EDUCATION

- Independent judgement
- Sense of personal responsibility
- Tapping the buried treasure of hidden talents

**LEARNING
TO BE**

**LEARNING
TO KNOW**

- Instrumental basic learning skills
- Foundational skills
- Presupposes 'learning to learn'
- Foundation for lifelong learning
- Preparation for the learning society

- Learning for work and life
- Competencies to deal with unforeseeable situations
- Alternating study and work

**LEARNING
TO DO**

**LEARNING
TO LIVE
TOGETHER**

- Understanding others
- Respect for human dignity & diversity
- Learning for responsible & active citizenship

600.19 Sq. Ft.

VISION & MISSION

OUR VISION

KMS is committed to providing high quality learning and childcare in a safe, caring and inclusive environment. We work together with parents / guardians to help our children thrive and go on to live happy and fulfilling lives.

OUR MISSION

The mission of Kingston Model School is to provide an environment that is stimulating, nurturing and supportive to children, where they can discover their inherent talent and where learning is fun. The philosophy of the school is to recognize and accept the uniqueness of each child; to create an ideal environment where children can comfortably and freely play with their inborn skill for overall physical and mental development. Our goal is to help children develop a positive self-concept, while preparing him/her for any curricular and extra-curricular program in which he/she intends to participate.

OBJECTIVES

Kingston Model School promotes integral growth, ambitious achievement, personal development, life-long learning by nurturing children to :

Develop thinking and create inquisitive mind.

Be flexible, adaptable and open to the opportunities, responsibilities and experiences of modern life and the joy of work.

Have high self-esteem-respecting themselves, others and the environment.

Be able to work independently, collectively in a co-operative environment.

Recognize their capabilities and maximize their individual potential in all areas of the curriculum and extra curriculum.

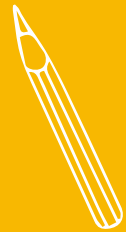

Advance and gain confidence in their innovative skills.

Imbibe the spirit for aesthetic, cultural, intellectual, moral and physical development.

HOW ARE WE DIFFERENT

Chalk and duster is not enough for child education today. Our school environment is not a concrete box-like classroom. We have designed a learning space to facilitate your child to open up questions and find the answers all rounds. Even the architecture of our school incorporates ground breaking, progressive and modern educational techniques.

FOUNDER'S MESSAGE

LATE SRI UTPAL BHATTACHARJEE

Founder, Kingston Educational Institute

The Late Great Utpal Bhattacharjee, the pathfinder of our institute was born on 12th December, 1957, as the second son in the wedlock of Late Ranjit Kumar Bhattacharjee and Late Malati Bhattacharjee. He was brought up in a hard-up family and lived in Kumartuli in a rented house during his childhood. His father was an employee of the Ordinance Factory, Dumdum, who shifted his family to a government quarter at 18, Mall Road, Dumdum in 1970. Thus, he anchored at his workplace, the Northern Suburb of the city of Kolkata by the unseen hands of his fate.

The phrase 'Struggle and Success' was his firm resolve. Although he could not achieve higher

academic qualification because of his hard reality of poverty, he gained valuable realistic education and purified his soul in course of his struggle for existence. In youth, he crossed the political turmoil in Bengal, occasionally he was emotionally influenced by the political ideology, but the prime motto of his life was to work hard, to sacrifice for family members, relatives, friends, neighbours and to help the weaker strata of the society at large. Resultantly, his unmanageable and indomitable spirit and toughness couldn't blemish his career; rather he became a successful person in all the walks of his life. So, he was counted as the uncrowned leader of the leaders in the locality.

Self-immolation of his parents convulsed the core of his heart. At the initial stage, he was engaged as a labourer to earn some meagre amount for maintenance of their livelihood. Later on, he worked in a press. At last, his self-confidence, personality and prudence persuaded him to start the business of supply of business materials. He also enrolled his name as the enlisted contractor of Dumdum Municipality. He ventured on the business of real estate. The fame of his honesty, good will and punctuality steadily spread over in the business community.

Eventually, his boundless dream, imagination and energy inspired him to lay the foundation of "Kingston Educational Institute". The journey was full of thorns. Unscrupulous personalities tried to topple down his strenuous mission and efforts in flourishing the entity of our Institute in the educational field. He tackled those untoward situations by his farsightedness. Our Institute is now blooming in the campus of 83 bighas of land, where School, Degree College, 5 years Law College, Management College, Polytechnic College etc are duly recognized and affiliated to, are being run by experienced and expert faculty members who impart education to the pupils. Especially, he introduced 3 years Law course, duly recognized at our corporate building to facilitate the students who are in employment. The B.Ed College is established in our

campus, which is also a prime example of his farsightedness. His last dream was to launch and expand our educational activities in the different cities of West Bengal and the neighbouring States. He always strove hard to uplift our Institute as the site of knowledge and sanctity. Besides, he used to sincerely patronize meritorious and needy students for their upbringing and education.

He was a sports lover. He voluntarily came forward to finance the Football Coaching Camp in the playground of Dumdum Jail as well as the playground of our campus under the guidance of coaches like Olympian Nikhil Nandi, Tulsi Balaram and Moti Singh to find out unknown talent. From the cradle to the grave, he salvaged countless people in the different fields of life and so he was foe-less. The luminary star dropped on 26.06.2017 from the galaxy of successful celebrities, a bolt from the blue.

He was and is the anchor of our Institute. He is immortal in the hearts of all staffs, employees, officers, faculties, educationists, students, members and Office bearers of the Society. His generosity, celerity, decision making process, characteristic of grasping the nettle at any situation, prudence, strong morality, transparency and honesty will be our paramount and fundamental beliefs and thought for our long stride in the educational paradise in future.

PRESIDENT'S MESSAGE

We, just like you, believe in holistic education for your child, encompassing – academics, co-curricular activities, sports education and life-skills learning. Educating the mind without educating the heart is not the true way to educate. At Kingston Model School "We won't just teach our children. We will create conditions for them to learn." The campus, sports and academic facilities all bear testimony to this effort. In order to promote an internationally acceptable education, our key focus has been on faculty development – providing continuous teacher training in order to deliver real value education and excellence in academics. Besides academic excellence, the school is committed to inculcate in all its students, strong ethical values of integrity, politeness, kindness and respect for elders. I firmly believe that education should foster confidence, discipline, clarity in thought and decision-making ability to set and achieve goals and above all, social responsibility as a life-long process.

The unique KMS pedagogy backed up with meticulously laid State-of-the-art infrastructure brings excellence in learning, training and

placements. KMS students are groomed to think out of the box and engulf articulation, innovation and team work.

The challenge lies in utilizing the changing learning patterns with changes in the methods of instruction coupled with technological advancements to create an educational experience that will influence the all round development of students and uphold our commitment towards nation building.

We are confident that this school will be the best place for your child. We welcome your active interest and involvement in the progress and activities of your child. We look forward to your continuous support.

A handwritten signature in black ink that reads 'Tipam Bhattacharjee'.

Mr. Tipam Bhattacharjee

President

Kingston Educational Institute

SECRETARY'S MESSAGE

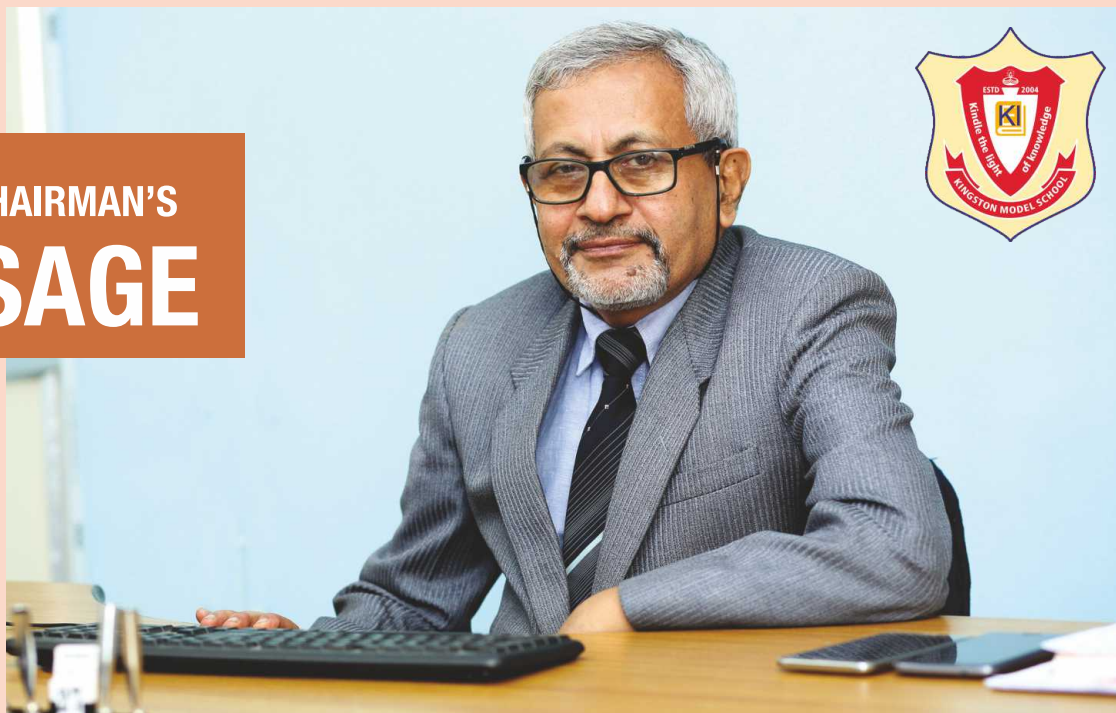

Kingston Model School (KMS) has been established with an objective to provide quality education from KG to PG, under the same umbrella of Kingston Educational Institute (KEI). Our expertise in bringing affordable, quality, value based education to the doorsteps of the future citizens of the country, hinges on our ethical values and strong foundations of honesty and integrity. The group has diversified expertise from professionals based in India and overseas, in order to bring in the best practices from a global standpoint, but with a local aroma. The infrastructure, both in terms of physical and intellectual has been handpicked matching the vision and mission of the institution. For us, at KMS, it is "your aspiration that is always equivalent to our perspiration". I Welcome you all to come and experience the education of tomorrow!

Thank You.

Uma Bhattacharjee.

Mrs. Uma Bhattacharjee
Secretary
Kingston Educational Institute

ACADEMIC CHAIRMAN'S MESSAGE

Dear Students,

It gives me immense pride and satisfaction for having being associated with the Kingston Polytechnic college in the initial days, since its birth in 2004 and now being associated with all the colleges and the school of the Kingston Educational Institute.

Our motto is to provide entire gamut of education right from Kinder Garten to the college education in the same campus to allow the students exposure to and choose from a spectrum of branches of higher education. Our vision is to produce outstanding Engineers, Scientists, Teachers, Managers and Lawyers capable of meeting the new challenges posed in the context of globalization of society and the trade and commerce. The institute boasts of modern and quality infrastructure conducive to an ideal teaching learning atmosphere for the aspiring students. Our institute endeavours to produce tomorrow's leader by inculcating a holistic outlook of life with ethical attitude who can contribute to the betterment and sustenance of our society. Our institute takes pride in having a balanced program of curricular, co-

curricular and extracurricular activities for all round development of our students. This has enabled the alumni of our institute to be well placed in industries, service sector and society at large. Further our institute can take pride in the MOUs signed with a few Indian core industries & service sectors to develop long-term industry-academic relationship for collaborative teaching and learning process. Our institute also have memorandum of understanding with a few international institute for students to pursue higher studies.

In the end I wish all the aspiring students of Kingston Educational Institute well and assure them a cherished & memorable stay in the Institute.

Prof. (Dr.) Ambarnath Banerji

Academic Chairman

B. E., M.E, Ph. D. Electrical Engineering

ACADEMIC ADVISOR'S MESSAGE

Kingston Model School (KMS), a constituent of Kingston Educational Institute (KEI) is the epitome of quality primary, and secondary education for all the pupils of West Bengal. The school provides a plethora of opportunities for the prospective professionals right from a very tender age. The emphasis of learning is fun based, and therefore, the learner develops an interest for the teaching and learning prevailing within the school, with utmost ease. Activities, both curricular and co-curricular allow the students to develop holistically. The perfect blend of experienced and young staff members of the school facilitates the learner to understand the importance of education from diverse perspectives. Continuous improving of the institution by benchmarking with the best, both from the local as well as the global environment is what makes us a class apart from the rest.

I welcome all students and parents to drop in for a one on one interaction with the management team of KMS, in order to have a bird's eye view of the institution.

We have built our whole world around your ambitions.

Dr. Manishankar Chakraborty
PhD, MBA, Management Trainer
Consultant, Faculty and Social Media Specialist for
Teaching and Learning

PRINCIPAL'S MESSAGE

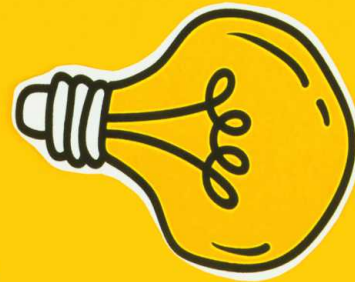

Dear Parents and carers,

Your family is about to embark on a wonderful and exciting adventure. We live today in a world that is so very different from the one we grew up in, the one we were educated in the world today is changing at such an accelerated rate and we as educators need to pause and reflect on this entire system of Education. Let us work in partnership with you to nurture and educate your child.

We at KMS work at implementing a well balanced curriculum to ensure that the children who walk into the portals of our school will not just love their school years but truly be prepared to face life's challenges. **"TO MOTIVAE THE WEAK, TO ADDRESS THE AVERAGE AND CHALLENGE THE GIFTED"** is the teaching vision of our school.

We are continually very proud of our committed and supportive management dedicated teachers, caring and co-operative parents blend harmoniously to create a child-centric school. Teamwork is the hallmark of KMS. I am very sure through collaborative effort we can achieve more to benefit our students who are the future leaders of tomorrow.

Mrs. Rakhi Ganguly
Principal
Kingston Model School

**KINDLE THE LIGHT OF
KNOWLEDGE**

SOME OF OUR FINEST FACILITIES

CLASSROOMS

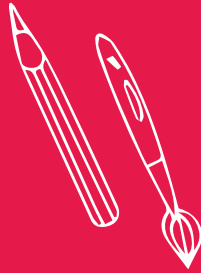

- 42 classrooms ranging from different sizes and increasing
- Well ventilated and adequately lit
- Provide a pleasing / friendly environment
- The rooms are very comfortable and perfectly proportionate

REGULAR CLASS ROOM

Bright and child friendly classrooms provide the right ambience for learning. Spacious class rooms and well-ventilated with comfortable furniture.

In KMS the starting point is what children can do. Nurturing creative talents through self learning and independent thinking. Improving and developing their mental and physical health are our prime objective.

PREPARATORY WING

Pre nursery school helps a child to adjust in primary classes because of his early preparation and acquaintance with school atmosphere KSM gives opportunity to every child live free from all fears and tensions. Children are provided with great variety of materials to manipulate, experiment, play, touch and feel. For us every child is as 'able child' thus exploring their abilities comes naturally. Special as attention is given to spoken English.

SPECIAL ATTRACTIONS OF ACTIVITY PLAY ROOM ARE :

Fun filers, Rockers, Block to recognize alphabets, numbers, colour and shapes, Tri cycles. Doll Corner, Audio-visual teaching aids, slipping corner, Ball room, Clay modelling, Story telling.

OUR GOALS ARE TO :

- Provide high-quality, engaging learning programs that enable each child to reach his/her full potential.
- Provide welfare programs that cater for each child's emotional, physical and social well-being.
- Ensure effective and positive communication and strong relationships between all members of our school community foster pride in the school and its environment.

LIBRARY

THE LEARNING CENTRE

The well-lit and spacious Library provides a conducive environment for complete conception. The array of books which covers fiction, non-fiction, autobiographic encyclopaedia and other textual books help to develop the interest in reading and also satisfies the child curious mind.

Children are allowed to borrow reading and learning materials for a week. Library facilities also provide through digital class solution and 200. CDs on various subjects make the library an ideal learning centre.

LABORATORIES

Modern spacious labs are well ventilated physics, chemistry, biology, mathematics and geography lab provide the environment for developing a scientific temper amongst the children. Each lab is constantly upgraded to meet the demands of changing curriculum.

SOME OF OUR **FINEST** FACILITIES

COMPUTER AND MULTIMEDIA

The school has one of the best and modern computer lab with the state of art machines and internet facilities. Computer with the internet facilities make the lab a complete learning centre. The students are encouraged to research work and prepare project and presentations here under the supervision of our experienced teachers and provide computer to the children 1:1 basis.

FUTURISTIC

Today the advancement of modern technology the world gets more connected. Hence it becomes imperative to achieve multi-cultural integrated knowledge with traditional learning.

We offer a curriculum that is global and create international Indians who can make a difference to their country and the world as well.

Nurturing creative talents through self learning and independent thinking. In KMS our prime object is to encouraging and developing their mental and physical health.

To meet the challenge of the future it is important to learn beyond the books. In KMS we intend to provide a platform for your child that will equip his/her to be a model citizen of tomorrow world.

HOUSE

The students are housed into four groups to inculcate healthy competitive attitude among them.

Each house is headed by a captain and a vice captain who take constant guidance from house Masters/Mistress. Inter-house competitions are organized in various cultural, sports & games and co-curricular activities. It helps a child to develop team spirit, brother-hood, dedication to his/her team which help to make them united.

CLUBS

We aspire to impart holistic education to our children. Keeping this objective in our mind we have extended the opportunity of learning subject to each child's personal interest.

Children are exposed to various disciplines of Art, Drawing, Music, Dance, Yoga, Drama, Elocution, Nature study and quiz which help them to realize their own inclination to a particular aspect of art and shape his/her expression.

SPORTS & GAMES

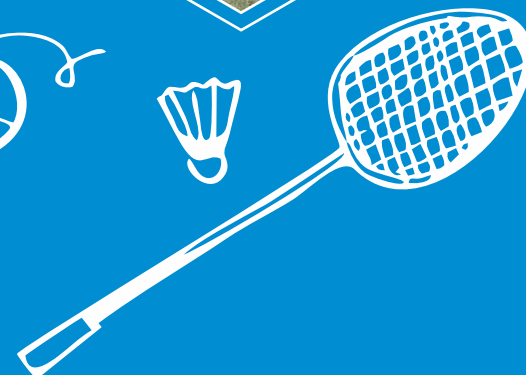

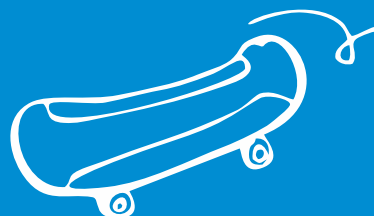

Sports & Games is an integral part of ICSE curriculum. KMS offer ample scope for sports & games. The student take part in a wide variety of sports for enjoyment, relaxation and physical development. Beside weekly P.T. class, tournaments competition on house basis are held. The student get opportunity to show their talents.

Badminton
Basket (Pro)

INDOOR

Gymnastics
Carom
Yoga
Aerobics
Chess
Chinese Checker
Table Tennis (Pro)

EMBARKING UPON SUCCESSFUL CAREERS

The Career Counseling team of Kingston Model School has been rendering consistent assistance in helping the children to fulfil their dreams.

WE HELP STUDENTS IN :

- Choosing the right career option or the appropriate course as per their aptitude.
- Identify their values, aspirations and goals.
- Scope of a course or a career that they are planning to pursue in India or abroad.

LOOKING AFTER STUDENTS FROM THE VERY BEGINNING

Our school builds a supportive bridge between home, preschool and the larger educational environment. We provide the care so essential for the happiness and security of young children.

We run successful transition programs for children entering pre-nursery and leaving Year 6. The high number of our students gaining academic awards when they progress to upper primary and high school reflect the academic strengths and solid foundation initiated at our school.

Our school encourages student individuality by teaching our students to value and respect the people around them. We are committed to preparing our students to be responsible and active community members within our society.

We focus on developing in your children important life skills through our Student Leadership, Student Representative Council, Enrichment for All program and House Competition Programs. These enable the development of teamwork, respect, responsibility and active citizenship.
