Welcome To Abhinav Public School

Dear Students,

It is nice to greet you all !

May this session of 2024- 2025 bring in the desired fruits to each one of you. We believe that every child has an inbuilt caliber, the only thing is to make a spark and enlighten it to full knowledge with skills. I am confident that every Abhinav student will aspire to be an ideal citizen of India with positive attitude towards handling all the situations in life.

Effective time management is the need of the hour, need of the student, the teacher as well as the parent. Students need to be ALERT, to be an OPTIMISTIC WORKER, to be CONFIDENT, to be an ACTIVE LEARNER, to be PERSISTENT, to be GENEROUS, to be TEMPERATE, to be CHEERFUL and to be ONES OWN SELF. We as teachers, can play the role of effective facilitators of learning by making children understand HOW TO LEARN EFFECTIVELY rather than telling them WHAT TO LEARN.

The learning environment at Abhinav emphasises the global future that our students will be a part of increasingly, they will interact globally to innovate, solve problems, communicate and collaborate with people from different cultures (global literacy). We are committed to the continuous improvement of the school's network, facilities, equipment and professional practice to deliver leading edge learning to gifted students.
