

a different school of thought

We Are Taurian

Taurian World School (TWS), is a part of Tilok Gyan Trust, a non-profit entity formed by Mr. Lalit Bajla, late father of the Chairman Mr. Amith Bajla. It was the first Co-ed Boarding School in Jharkhand founded by Mr. Bajla, more than ten years ago, and is a model to look up to when it comes to child safety and the delivery of quality education.

As a world class educational institution, TWS is a dynamic, inclusive, and friendly Co-ed Day cum Boarding school that promotes learning as a lifelong journey of enquiry and discovery, culminating in knowledge that matters. Our students and faculty comprise different parts of India.

The pollution-free, eco-friendly, 64-acre lush green campus, located in the untouched suburbs of Ranchi, offers ample space and infrastructure for sporting, cultural, and leisure activities. Besides state-of-the art infrastructure, the world-class facilities includes horse-riding, archery, semi-olympic pool, elevated basketball court, football field, lawn tennis courts, cricket ground, Amphitheatre and much more. TWS also prides itself on modern boarding houses and a fully equipped cafeteria that serves nutritious and healthy meals made from products produced in-house in its own organic and dairy farm.

Taurian World School, established more than a decade ago has striven to provide holistic education to its students. We have geared-up to take on the challenges of the future head-on.

TWS is not just about education. We perceive our role as the custodian of our country's future and accordingly strive to encourage our children to excel not only at academics but as a responsible citizen of tomorrow with a sense of duty and responsibility towards our nation. They are encouraged to appreciate the fragility of our eco-system and respect nature.

Each child that steps into the sanctum of TWS, walks out as an aware, educated and ethically sensitive global denizen for tomorrow. I welcome you and your child into this wonderful family and wish you the best for a very bright future.

AMITH BAJLA - CHAIRMAN

At TWS, we believe that irrespective of what makes for education or what mode of education it is, the prime aim of the teacher is to keep the child interested, with plenty of knowledge and lots of information, if it will help keep the flame of curiosity burning. And that is exactly what our teachers do, with modules designed to make the child think and question the whys, the wheres and the hows of everything they learn.

This makes for a wonderfully interactive time during their classes; and the wonder keeps growing in off-classroom sessions as we take the child through the school of life into a fun filled, meaningful world that keeps them glued to the subject being taught. This is what makes TWS different, since teaching and learning by rote is not our cup of tea.

DR. SUBHASH KUMAR - PRINCIPAL

Curriculum

Taurian World School is affiliated to Central Board of Secondary Education (CBSE). The CBSE curriculum helps in developing holistic individuals through evaluation that is based on co-scholastic activities. It uses an integrated approach to instil values amongst the different classes of students. There are student friendly and student-centred paradigms that make the learning experience for the student innovative as well as fun. There has been developed a different approach to examinations which not only focuses on academics but also focuses on values.

Awards

- Ranked as #1 Co-ed Boarding School in Jharkhand 2020 by EducationWorld, TWS has been dominating the position for the past 10 years.
- Ranked as No.1 Boarding School in Jharkhand by Education Today (2017 - 2019)
- Awarded the "Best school in Jharkhand to provide Global Exposure" by ASSOCHAM.

Primary

Our primary section education is inquiry based and child-centric so that your little ones find joy in learning. The interactive and engaging curricula with a delightful faculty helps transform the curious minds into active learners and help them grow. The highly energetic environment complements experiential learning with curricular activities for holistic education & based on international pedagogy.

Secondary

Secondary education marks the stepping stone for higher education for a student and is the most formative period in a child's life. With our motto to help your children grow as successful individuals, we pave the path for meaningful education, right from this early academic stage.

Sr. Secondary

Senior secondary education is the gateway to specialized studies for students. At this level, students opt for their future academic careers based on their interest and abilities. The students are provided strong academic guidance and support through our Taurian Guidance Cell which will help them for competitive exams in their near future. They have options to opt from any of these streams (Science, Commerce & Humanities)

Boarding

Home is not a place, it's a feeling

The residential programme at Taurian offers students a home away from home, with spacious, comfortable and regularly sanitized living areas, and access to a host of extracurricular activities. The small number of boarders per hostel allow for easy social distancing, while providing a warm atmosphere and maintaining a sense of community.

Experienced Residential staff

Support Services

Empathy breaks down barriers of language

FRENCH / SANSKRIT LANGUAGES

TWS offers French Language from Grade II - Grade X. Sanskrit is offered from Grade VI to X.

LEARNING SUPPORT

Support Classes are frequently organized to improve the performance. Specialist teachers help our students with special learning needs achieve their full potential.

COUNSELLING

We nurture the social, emotional, physical, and intellectual development of our students. We have a dedicated counsellor trained to support students through the various challenges that they may experience. In addition, Taurian Guidance Cell, an initiative of TWS supports senior students with their career paths.

HEALTH SERVICES

A qualified medical team is available 24/7 for emergencies and minor illnesses. Quaterly health checkups are held class-wise for all the students. A 25 bedded in-house infirmary with an isolation unit, stretcher, wheel chairs and oxygen cylinders are available too. We are having a tie-up with the best multi-specialty hospital in Ranchi, The Orchid Hospital. TWS also has well equipped Ambulance for emergencies, round the clock.

Sports

**Sports & Sportsmanship -
we aim to encourage both in our students**

Through our sports programme, importance is given to not just students' health and fitness, but also to developing skills, learning to work in teams, and building leadership and personal growth. Taurian students also compete regularly with teams from other schools in Ranchi and nearby cities. Our students have made us proud by demonstrating commitment, great attitude, and the spirit of teamwork.

Arts

A Reflection of the Human Soul

Taurian World School prides itself on a committed Arts department with a special focus on Visual Art, Drama, Dance and Music.

The transdisciplinary nature of arts gives them relevance throughout the curriculum. Exposure to and experience with arts opens doors to questions about life and learning.

Specialist teachers for Visual Art, Dance and Music

A dedicated Arts Center

Private music lessons for instruments such as piano, guitar, drums, tabla etc

Numerous opportunities to perform at concerts, assemblies, and other gatherings

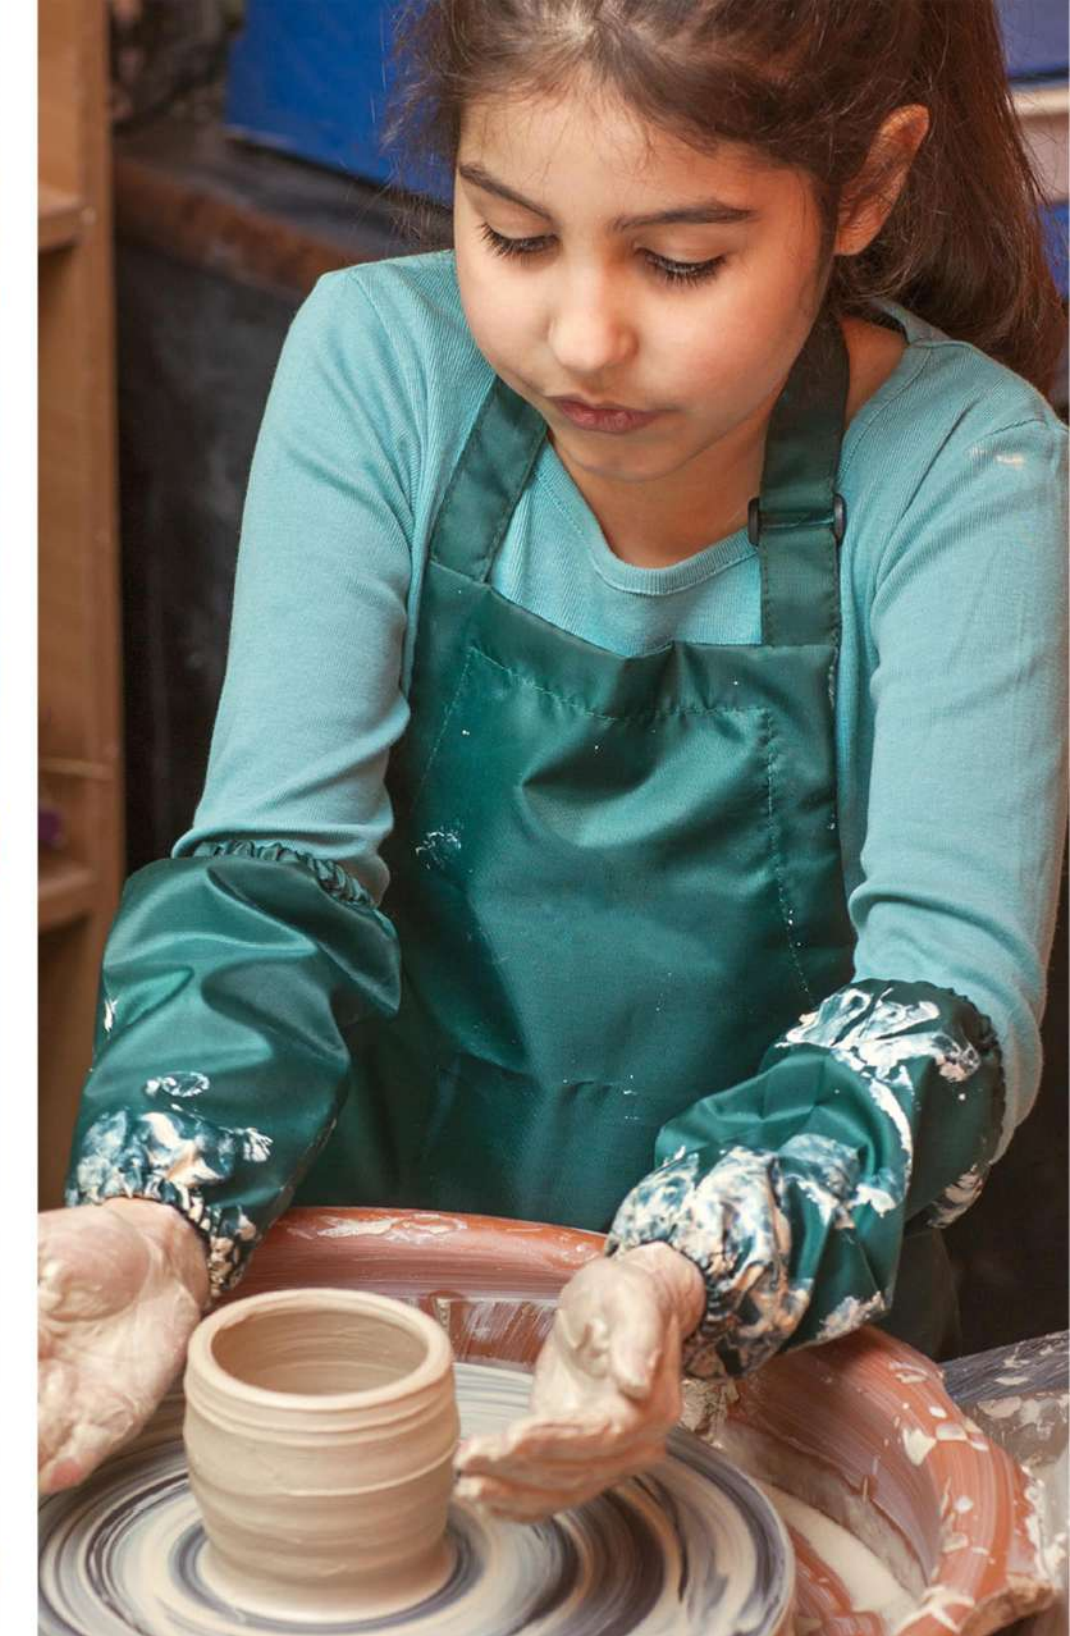

Student Art exhibitions at professional galleries in Ranchi

After School Activities

Not all lessons are learnt from books

TWS provides a range of activities to meet the varying interests and needs of students. The After School Activities are designed to provide a range of learning engagements that will enable children to be creative, build confidence, play with others, and lead a balanced, healthy lifestyle.

Different activities are offered under four broad categories - Technology, Sports, The Arts, and Community Service. These range from aeromodelling and robotics to music/dance and pottery; yoga/karate to horse riding/archery; working with old age homes to working with underprivileged children.

Our Faculty

Teachers shape today and change tomorrow

The faculty comprises highly educated, caring, competent, and experienced teachers from from all over India. They are CBSE trained global educators; many are examiners and workshop leaders with invaluable experience.

The dedicated team of teachers encourage that unique spark that all students possess, kindling a genuine life-long love of enquiry, knowledge, open-mindedness and social awareness, and most importantly, an ability to think for themselves.

Facilities

Giving young minds a *large* space to excel

Spread over 64 acres in the countryside, Taurian offers a campus that is spacious, purpose-built, safe, and highly conducive to learning.

State of the art Library & Laboratories

Dedicated Grounds for Football, Cricket and Archery

Gallery

Admissions

Taurian World School has an admissions policy that is inclusive, accepting students across the ability range. All students are eligible for admission if it is believed that the school can provide an educational programme that can meet their particular needs.

While most students will join school at the beginning of each academic year, we understand that some may arrive in Ranchi at a later date. Based on the availability of places, we are happy to admit students throughout the year.

We invite families to visit us and share in the Taurian experience. Do get in touch with our Admissions Office via email (admissions@tw.s.edu.in) or by calling them (+91-9308991112/3) for details.

Address:

**Taurian World School,
Village Hazam, P.O. Dundigara,
4.5km from 10th Mile Chowk
Ranchi - 835221
Jharkhand**
