

# ST. ANDREWS WORLD SCHOOL KUNDLI SONIPAT

A CBSE Senior Secondary School

Affiliation No.- 531978

“We aim to cultivate lifelong learners who engage in meaningful and responsible learning experiences, fostering a deep understanding of commitment to the community.”

## ● MESSAGE FROM THE PRINCIPAL'S DESK ●

**“Education is the foundation upon which we build our future.”**

**–Christine Gregoire**

At St. Andrews World School, we believe that every great journey begins with a single step. Our commitment is to provide holistic education and innovative learning experiences in a safe and invigorating environment. We aim to ignite a lifelong love for learning, emphasizing the importance of both scholastic and co-scholastic excellence.

We are dedicated to imparting value and skill-based education that brings out the best in every child, preparing them to emerge as confident leaders of tomorrow.

I truly believe that true education should inculcate knowledge, creativity, tradition, and culture among the students.

Let us pray Almighty to be with us forever and with his blessings I envisage the glorious future of our school.

May the beacon of truth and knowledge show us the right path.

As a principal of St. Andrews World School, I feel honoured and privileged to be a part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn, discover and innovate.

**Dr. Preeti Hooda**

**“St. Andrews World School has been accredited with the  
'MOST CREDIBLE GROUP OF SCHOOLS EXCELLENCE IN EDUCATION' Award  
which marks the excellence of our modern curriculum.**

## Our Mission

To enable our students to reach their potential and continually work toward excellence. We aim to better ourselves and become the best education provider globally.

## Our Vision

To help the students become resourceful thinkers who can solve complex problems through reflection, risk-taking, and critical evaluation.

## —● ACCREDITATION ●—

We offer holistic learning experiences to the students, the curriculum provided is CBSE board and the medium of instruction is English.

We ensure that the children are on a joyful journey of learning and discovering themselves in the process. To achieve this, we have built a child-centric ambience where they observe, analyze, and learn.

- We help the students develop holistic skills through evaluation based on co-scholastic activities.
- The traditional values are interwoven into the curriculum.
- The student-friendly and child-centric paradigms make the learning experience for the students innovative and fun.
- Examinations are focused both on academics and values.
- The students develop technical knowledge and skills essential for job-oriented input.

# —● INFRASTRUCTURE ●—

St. Andrews World School campus strikes the astute infrastructure incorporating a spacious campus and playgrounds. The school is integrated with modern technology, heeding all the necessities of the students.

## Library:

Designed to foster collaborative learning and focused study, our library features ergonomic reading areas, tranquil quiet zones, and advanced technological infrastructure to propel students toward academic distinction.

## Computer Lab:

Our computer lab bridges the digital divide, cultivating digitally literate, innovative thinkers, and problem-solvers. With advanced infrastructure and expert faculty, students thrive in a dynamic, tech-enabled learning

## Multipurpose Hall:

Our state-of-the-art multipurpose hall is a vibrant space for assemblies, cultural events, competitions, and interactive sessions. Designed to inspire creativity and collaboration, it provides students with a platform to showcase their talents and celebrate togetherness.

## Music Room:

Unleash your musical potential in our state-of-the-art music room, featuring professional-grade instruments, advanced audio-visual equipment, soundproof practice rooms, and a comprehensive music library.

## Smart Board Panels in all Classrooms:

Our smart board-enabled classrooms foster an engaging and dynamic learning environment. Equipped with advanced technology, they enhance interactive lessons, boost collaboration, and make education more immersive for students.

**Fully air-conditioned providing a comfortable learning environment.**
