DUNDLOD
GIRLS' SCHOOL

A Premier Girls' Boarding-cum-Day School

“Soaring Towards Excellence”

Brochure

VISION

To provide a platform and an environment to each girl child that can encourage fearless intellectual curiosity, an uncompromising sense of fair play and empower girls to be future leaders with global perspective and Indian ethos.

MISSION

To provide integrated quality education and all-round development of students in a safe, respectful and inclusive environment with excellent faculty that promises to build a foundation for life-long learning.

ABOUT US

DGS is an English Medium Premier Girls' Day-cum-Boarding School projected to be CBSE affiliated and is managed by "DUNDLOD SHIKSHAN SANSTHAN, DUNDLOD". The school run classes from II to X with a proposed expansion to Senior Secondary Level. The campus is situated in a lush green, pollution free locality near the heritage city of Dundlod. It is 2 hours journey from Jaipur & 4 hours from Delhi. The nearest Airport is Jaipur International Airport.

AIMS AND OBJECTIVES

A child's mind is one of the most wondrous creations of God. To nourish and to develop it in the right way is a sensitive and rewarding task that Dundlod Girls' School has undertaken. The objectives of Dundlod Girls' School are as follows:

- To give education to all irrespective of caste, creed and colour, in an atmosphere of purity, efficiency, discipline and Indian culture with special emphasis on character building.
- To impart value based education through thoughtfully designed educational programmes, cultural activities, co-curricular activities, games and sports.
- To activate academic excellence through a team of dedicated teachers from all over the country.
- To achieve academic excellence in games and sports through a team of NIS

trained coaches and PETs.

- To develop integrity and fullness of versatile character in the child.
- To develop officer like qualities through a flawless system.
- To provide training in leadership.
- To inculcate awareness among students to maintain environmental purity and ecological harmony.
- To develop qualities of a good human being like respect for the parents & elders, compassion, truthfulness, honesty etc.
- To provide to the country, a future generation enriched in excellent qualities of character.

CURRICULUM

The school provides education from II to X strictly keeping English as medium of instruction. The optional third language Sanskrit is taught class VI onwards. All the necessary and important subjects like English, Hindi, Social Science, Mathematics, Science, Computer Science, Art, Music, Dance, Handicrafts, Work Experience, Health & Physical Education are an integral part of academic programme.

CURRICULAR STRUCTURE OF SCHOOL

Presently the school runs classes as per new pedagogical structure and curricular of school education which is as follows :

- Classes II to V (Foundational & Preparatory Stage)
- Classes VI to VIII (Middle Stage)
- Classes IX & X (Secondary Stage)

Foundational & Preparatory Stage : Apart from the major subjects like English, Hindi, Maths, General Science & Social Studies, due emphasis is given on Computer Science, Health & Physical Education, Art & Craft, Music & Dance, G.K. and Value Education also. Needless to say the school wants to cultivate discipline, manners & etiquettes in students. Efforts are made to enrich the vocabulary and equip them with communicative competence.

In foundational stage the focus is on the reinforcement and endorsement of a child capability through manifold activities and learning exercises.

- **Middle Stage :** Middle stage comprises classes VI to VIII which has continuous and comprehensive evaluation system.

The compulsory subjects are English, Hindi, Maths, General Science, Social Science, Sanskrit, Information Technology and graded subjects are Health & Physical Education, Art & Craft, Music, Yoga and G.K & Value Education. In the new era of globalized modern education, competition is tough for every exam. Hence, the need arises for an early beginning and clear insight about one's future plans. Thus our devoted teachers make the students more responsible and career conscious at an early stage of life, the strong concept building starts from the class VI onwards.

- **Secondary Stage:** Secondary Stage covers classes IX & X. The compulsory subjects are English, Hindi, Maths, General Science, Social Science and Information Technology. This section strives hard to satisfy inquisitiveness of the students and equips them with a passion for excellence and determination.

SALIENT FEATURES

1. Centralized air-conditioned campus with CCTV cameras.
2. Most modern & innovative methods of teaching: Smart classes make the complex classroom teaching simple and fascinating . Use of Audio-Visual teaching aids like tape recorder, Over Head Projectors (OHP), Slide Projector(SP), computer, mini-theatre etc. is emphasized at a large extent.

3. Well equipped labs (Composite, Physics, Chemistry, Biology, Biotechnology & Maths) and an ultra modern computer lab with broadband facility. Language lab well equipped with lingua phones and audio visual aids, facilitates the development of good communication skills and teach students correct pronunciation and diction.

4. Embracing NEP 2020 : Keeping abreast of the changing times and to embrace NEP 2020, the school has introduced some best practices to provide students some digital platform in that some students learn better when exposed to all type of intelligence.

- **Step and Learn :** Step and learn is an interactive floor especially targeted at children from Class II to Class V. It promotes collective and differentiated learning styles through play and physical activity. It satisfies the concept of 'Multiple Intelligence' and increases personal, social and professional skills.

- **Cubetto :** Cubetto is a wooden robot designed to teach children how to code using a tangible programming language that doesn't use screens or require children to be that much technologically strong.

- **Science Virtual Lab :** Science virtual lab is an advanced lab designed to provide a digital platform for conducting a variety of interactive science experiments for grades 6 to 8. It commits to providing a superlative hands-on experience in a virtual environment with main emphasis on "Learning by Doing."

- **Robotics Lab :** Robotics Lab is an easy to understand, hands-on educational platform where students learn by doing. Robotics Lab equips one with coding literacy without the need for a tech guru for guidance. It's a cloud-based program that operates through browser software.

5. Teachers are from all over the country who are highly qualified, dedicated, innovative & committed to their profession. Teacher student ratio is 1:25. Mandatory workshops and seminars on teaching methodology are conducted to keep the teachers abreast of latest teaching techniques.

6. A Learning Resource Centre which contains around 5000 volumes of books, reference books, encyclopedia , periodicals and a large number of Indian and Foreign magazines and journals. There are separate reading rooms for staff and students (equipped with TV & DVD) attached to the library.

CO-SCHOLASTIC ACTIVITIES

School believes that co-curricular activities are on a par with education for a student's all-round development. These activities create a fine balance between the mind and the body and at the same time develop the aesthetic sensibilities of the girls.

- **House System :** The house system provides excellent opportunities for student leadership, peer group support and also promotes team spirit. The students are divided into four different houses which vies with one another on sports field and in other disciplines.

- **Literary and Cultural Activities :** The literary and cultural competitions are held to bring out the various talents embedded in the students. They showcase their skills in various activities and compete with one another to improve their ability.

- **Hobby Clubs** : Various clubs are formed and students are allowed to choose and get associated with any of them. Being involved in these groups, students get an opportunity to develop their communication, organizational and social skills.

- **Art and Craft** : Engaging students in activities related to arts and crafts from a very young age leads to a tremendous improvement in hand-eye coordination. These activities can enhance the children's dexterity and agility.

- **Gym, Yoga and Aerobic Classes** : The girls are provided gym, yoga and aerobic sessions under the guidance of well-trained instructors. These activities keep them both physically and mentally strong.

- **Dance and Music** : Dance and music are a few of the oldest parts of the ancient India. Girls here in DGS are trained with different dance forms and music both vocal and instrumental.

- **Sports** : School provides a wide variety of sporting events which are integral part of school curriculum under the guidance of specialized coaches. Various sports include: Basketball, Table Tennis, Badminton, Gymnastics, Athletics, Volleyball, Football, Martial Arts, Track Events, Hockey, Swimming, Horse Riding etc. Well qualified instructors and coaches are available to provide world class training.

A "Sports Shooting Range" has also been developed as to introduce students to an Olympic sporting event at school level.

- **Long Tours and Educational Excursions** : School plans to organize visits to various places to enrich the students and to take learning beyond the four walls of the classroom. These trips also provide an opportunity to students to evolve and be on their own which will help them make more independent. Interaction with people outside will help improve communication skills and make them more accommodating.

- **Student Exchange Programme** : The exchange programme is a reciprocal travel program where the students get to travel locally and globally where they are hosted by a partner institution. These programs are designed to enable student learning at a different level. But the main goal is to get them out of their comfort zone so that they not only experience enhanced learning but also personal growth.

- **Community Service**: It provide students with the opportunity to become active members of their community and explore academic interests through a real-world lens. It has a lasting, positive impact on society at large.

EXAMINATION & PROMOTION :

Schools have a system of continuous & comprehensive evaluation. There are weekly tests, unit tests, term exams, periodical tests and final exams. The promotion to the next class depends on the cumulative academic

achievements of the students at the end of the academic session.

SCHOOL SCHOLARSHIPS & OTHER ACCOLADES :

A. Best Student Award: The prizes & certificates will be given away to the students for obtaining the highest percentage in their respective class groups:

(i) Classes II to V (ii) Classes VI to VIII (iii) Class IX & X

B. Miss Regularity Award: The prizes & certificates will be given away to the students for 100% attendance in each academic year.

C. Parents of students with exceptional talent make their presence as chief guest in school on republic/ independence day.

Sports Award : National Sports Award Rs. 11000/-

FACILITIES

Here is a glimpse of infra-amenities and other facilities of our school:

- Activity rooms for different activities.
- Fully furnished and air-conditioned hostel rooms with attached washrooms.
- Continuous supply of potable water through osmosis water purification system with water coolers.
- Sports Shooting Range
- Indoor Swimming Pool
- Open Air Theatre
- Air-conditioned well-equipped gymnasium with certified trainer.
- Playgrounds and courts for different sports.
- Recreation rooms
- Theatre room
- Water heating system for winters.
- School tuck-shop, where students can get their daily necessary items.
- A well-equipped MI room with trained and qualified doctor and nurses.
- Sanitary napkin disposal vending machine
- Cafeteria
- Well-furnished and hygienic mess.
- Air-conditioned buses covering around 35km radius.

RESIDENTIAL SYSTEM

The hostel is centrally air-conditioned and spacious. It has been designed meticulously to fulfill the challenging requirements of the children of all age groups. It includes separate dormitories for junior students and rooms for senior students with attached washrooms. Each girl child is provided with separate bed, study table, almirah etc. Recreational rooms are available where students can relax and enjoy leisured classes.

- **Pastoral Care:** Here at DGS, we provide a 'home away from home' where we maintain traditional values in a family atmosphere and ensure physical and emotional welfare of each girl child. Every staff member of the school is approachable. The hostel is supervised by the trained matrons who take care of every need of students and supervise their daily routine. We also arrange periodic talks with the students for their queries and requirements. Students are also given personal counselling.
- **Recreation Rooms:** The hostel also has well-furnished recreation rooms where students can relax, play games, watch TV, read newspapers and journals during their leisured hours.
- **Infirmary :** Here we have our own infirmary under the charge of a qualified doctor and nurses who are available round the clock. There is an isolation room where any student suffering from any infectious disease are kept to prevent spread of any infection. We implement appropriate policies for the medical care of students. Periodical check-ups are conducted. At the beginning of each term every child has to undergo a routine medical examination. The school is only few kilometers away from the city hospital where any emergencies can be referred.
- **Food and Nutrition :** The mess is extremely hygienic and serves purely vegetarian diet to our students. We feel proud in serving 100% organic food to our students. Vegetables, pulses and wheat are originally grown in our own farm which are free from pesticides and chemicals. We also own a dairy with over 100 cows which allow students to get pure milk as well. Mess menu is designed in consultation with nutritionist. The student body is also often consulted to bring about any changes in the menu. There are well trained mess managers to watch on smooth functioning of mess.

Note : Fruit refreshments and lunch are provided to the Day Scholars from the school mess.

SAFETY AND SECURITY

Our school is committed to provide a safe and secure learning environment. The school induces student and staff safety policy to ensure their minimal safety needs.

- The campus is under 24x7 CCTV surveillance and continuous patrolling is done by armed guards.
- The campus is surrounded by high fencing. Proper and strict security is present at the main gate and access to

the girls is only allowed through proper verification and permission of the principal, warden and parent or guardian.

- No one is able to trespass as there are multiple checks through the multi-tier gate system.
- Periodical regulation and monitor of safety drills are conducted.
- Round the clock competent security, trained and experienced wardens, in-house doctors are some of the major contributors towards safe and secure environment in campus.
- All COVID-19 SOPs/ guidelines are followed. Procedures like thermal scanning, sanitization, checking vaccination certificate etc. are practised at the main entrance. Biometric entry and exit is mandatory for staff members.

IMPORTANT GUIDELINES

- Prospectus & admission form can be obtained from school office during school hours.
- School strictly follows all the rules & regulations of RTE Act.
- Documents required at the time of admission:
 - (a) Original T.C. countersigned by the competent authority and report card of previous academic session.
 - (b) Three passport size photographs.
 - (c) Migration certificate for the student coming from other states/ boards.
 - (d) **The procedure for admission for overseas and foreign applicants at DGS remains the same. However foreign passport holders are required to obtain a student's Visa from the Indian Embassy/Consulate in their country. They can apply for the Visa once their application for admission has been approved by the school's Admissions Committee and a letter confirming admission is issued to the applicant. The Visa obtained must be for the tenure that the student studies at the school.**
