Educating Mind, Body and Soul

"Tapovan and its education system is the most sustainable solution to submerge in Jain morals, values and traditions" - Visionary statement and wish of Param Pujya Panyas Shree Chandrashekhar Vijayji Maharaj Saheb.

About more than 36 years ago, a unique arrangement of mainstream education and Jain values was introduced at Tapovan Sanskar Dham in Navsari, India.

Through this unique offering, Navsari Tapovan has presented more than 3000 successful and visionary citizens to society, not just limited to Doctors, Engineers, Chartered Accountants, Lawyers, Hon. Trustees, but also Shaashan Subhats, Shraavaks & Saadhu Bhagwants.

As a result of this extraordinary journey of 36 years, Tapovan is now completely managed by Tapovani past students and is thereby self-sustaining. Many past students, whose life has been positively influenced by their experience at Tapovan, have now decided to rejuvenate the Tapovan environment and physical facilities to cater better for a long future ahead.

With an intention of providing advanced facilities to future Tapovani students, and thereby producing more intellectuals for our community, Our trust has decided to develop new buildings at Tapovan, Navsari. Proposed development sums up to 60,000 sq.ft. as under:

	PHASE I	PHASE II	TOTAL
GURUKUL	18,000 sq.ft.	18,000 sq.ft.	36,000 sq.ft.
SCHOOL	12,000 sq.ft.	12,000 sq.ft.	24,000 sq.ft.

Our proposal will enhance the amenities as well as residential capacity for students.

तपोवन का है प्रथम संस्कार, मा-बाप है घर के भगवान और भगवती ।
