BELONGS TO THOSE WHO
PREPARE FOR IT TODAY**

Delhi Public School Rau Indore is renowned for its commitment to providing a holistic and high-quality education. The school blends academic rigor with a vibrant array of extracurricular activities, ensuring the all around development of its students.

With state of the art facilities, experienced faculty, and a focus on values-based education, DPS Rau Indore fosters an environment that encourages curiosity, creativity, and a love for learning. The school is dedicated to nurturing future leaders by instilling in students the skills and character needed to excel in an ever-changing world.

***Welcome to the awe-inspiring world of
DPS Rau Indore***

FROM PRINCIPAL'S DESK

"Upon the subject of education ... I can only say that I view it as the most important subject which we as a people may be engaged in."

In the present context, we see these words of Mr. Lincoln turn into reality, even as life nearly came to a standstill, without the wheel of learning ever stopping. For achieving this a great feat, I heartily congratulate the students who have grown mature and responsible so as to be able to continue the learning from the virtual platform, thanks to modern technology and the age of globalization.

I personally believe that children must be taught to bring order into the chaos that they see around them. They must be taught how to be strong, courageous, and patient. And what can be a better way of teaching, than leading by example. Today, Delhi Public School Rau is a future ready School. Here the educators are committed in culcating the life skills through active participation and real life situation. DPSites work around the curriculum to enhance their academic and curricular activities which instills in them confidence, self reliance, Analytical approach, Critical thinking, interpersonal relationships etc. our DPSites have already begun to shine among the illustrious stars of the city, and the school is being recognized for its dedication to academic excellence and for its rich co curricular activities such as sports, performing arts, and cultural activities.

Our aim is to provide holistic education to our students. The practice of promoting critical thinking, as against rote learning and focus on the emotional well-being of the child, builds a firm foundation and prepares our students to face the challenges of life.

We adopt innovative teaching methodologies that result in better understanding and help students to reason out and develop critical thinking and scientific temperament. We believe that it is only through the exchange of ideas that students develop their personal and social values. Therefore we encourage activities that inculcate critical thinking and decision making skills in our students. Apart from this, we also provide facilities for honing their creative skills.

As is known to all, Delhi Public School is a center of world class education, where every student matters. Our dedicated and qualified experts encourage the students to strive for academic excellence by providing them with opportunities to develop their potential to the full and guide them to appreciate core human values and cultural diversity.

We hope to carry forward the tradition of quality education with character building and the humble philosophy of Service before Self' with the support and cooperation of our students and the parent community.

Thank you!

OUR LEARNING LANDSCAPE

DPS Rau, is a premier 40-acre full-boarding institution that harmoniously blends academic excellence with personal growth, shaping students into confident, compassionate, and future-ready individuals.

Every child at DPS Rau receives world-class, time-tested nurture amidst the natural beauty of our 40-acre campus - where we are 50% Nature and 50% Nurture. With strong academics, athletics, and co-curriculars, supported by state-of-the-art facilities and modern educational philosophies, our holistic approach ensures students grow in step with a rapidly changing world.

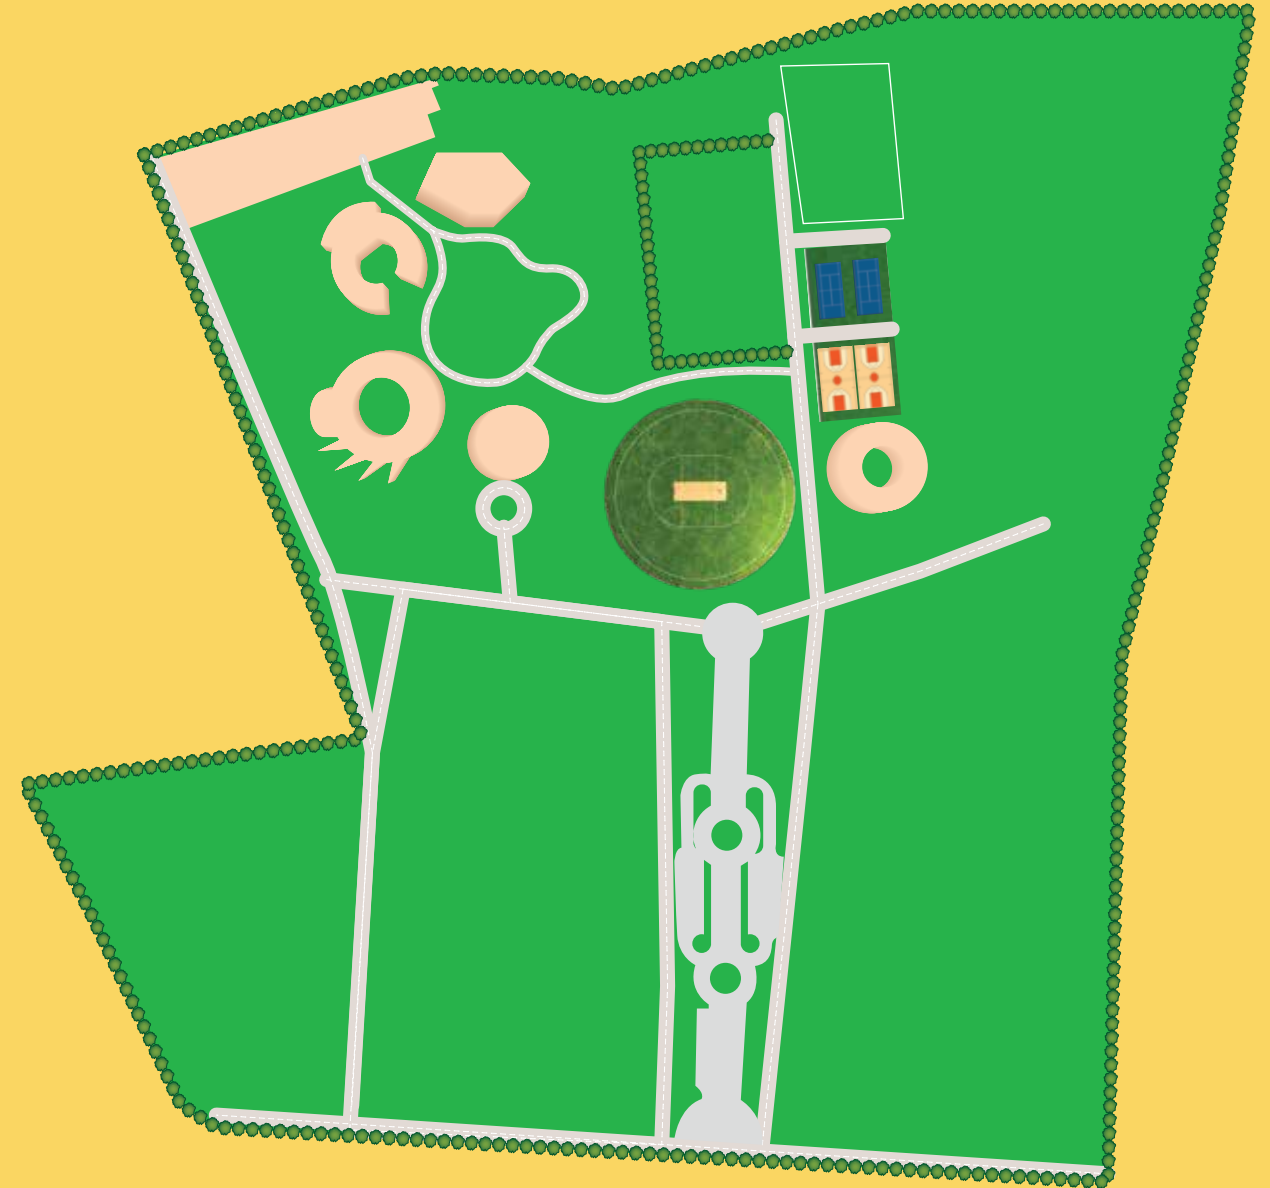

We believe in giving our Dpsites all the tools, opportunities, and support needed to become complete and confident young adults. To do so, we have developed a rigorous and holistic educational program.

At DPS Rau, we stand firm through time, leading your children into a promising future.

Set amidst serene and inspiring surroundings, the school provides an environment where every child is encouraged to discover their true potential through a balanced blend of academics, sports, arts, and co-curricular activities.

Acknowledged among the best schools of Indore, DPS Rau stands as a beacon of holistic education, with many feathers in its cap and a reputation that continues to inspire ambitious young minds.

Boarding at DPS Rau goes far beyond residence - it is a transformative journey that instils values, builds character, and fosters resilience. With state-of-the-art facilities, dedicated mentors, and a nurturing pastoral care system, we provide a safe and supportive environment where students grow into resourceful, independent, and happy adults, well-prepared for the challenges of a global future.

40 ACRES OF EDUCATIONAL FACILITIES

At DPS Rau, our curriculum balances breadth with depth, ensuring strong academic foundations while nurturing curiosity and creativity. Following the CBSE curriculum, we provide students with a rigorous academic framework complemented by experiential learning opportunities. From classroom innovations to educational trips across India and abroad, our students are encouraged to stay grounded in their roots while developing a global outlook.

We believe that healthy bodies shape healthy minds. Our diverse physical education programs from yoga and swimming to team sports and adventure activities - instil fitness, discipline, and resilience. Students also benefit from the serene natural surroundings of our 40-acre campus, which provide endless opportunities to explore, challenge themselves, and grow.

At DPS Rau, learning goes far beyond the classroom - preparing students with the knowledge, skills, and confidence to excel in every sphere of life.

OUTSIDE THE CLASSROOM

Here at DPS Rau, Dpsites have access to the natural world and to the modern; to elite sports experience to expert support in the arts; to education on Indian heritage, and to excursions around the world.

We believe that extracurricular activities, routine and discipline are fundamental in developing essential soft skills, fostering responsibility, time management, and critical thinking in students. The school environment enhances this approach, providing a focused and calm setting that encourages deep engagement with the curriculum.

Through a mix of traditional and contemporary teaching methods, we aim to equip students with not only academic knowledge but also the life skills needed to succeed in an ever-changing world. Our goal is to cultivate well-rounded individuals who are prepared to take on the challenges of the future with confidence and clarity.

SPORTS AND LEISURE

We believe sports are not just extracurricular - they are integral to a well-rounded education. Surrounded by the serene beauty of the plateau landscape, students engage in a wide spectrum of activities, from competitive team sports and individual disciplines to outdoor adventure programs.

Each experience builds more than physical fitness - it instils teamwork, discipline, and leadership. In this calm and distraction-free environment, children find space for personal growth, self-discovery, and a healthy lifestyle, preparing them to excel both in the classroom and beyond.

PASTORAL CARE AND THE STRENGTH OF HOUSES

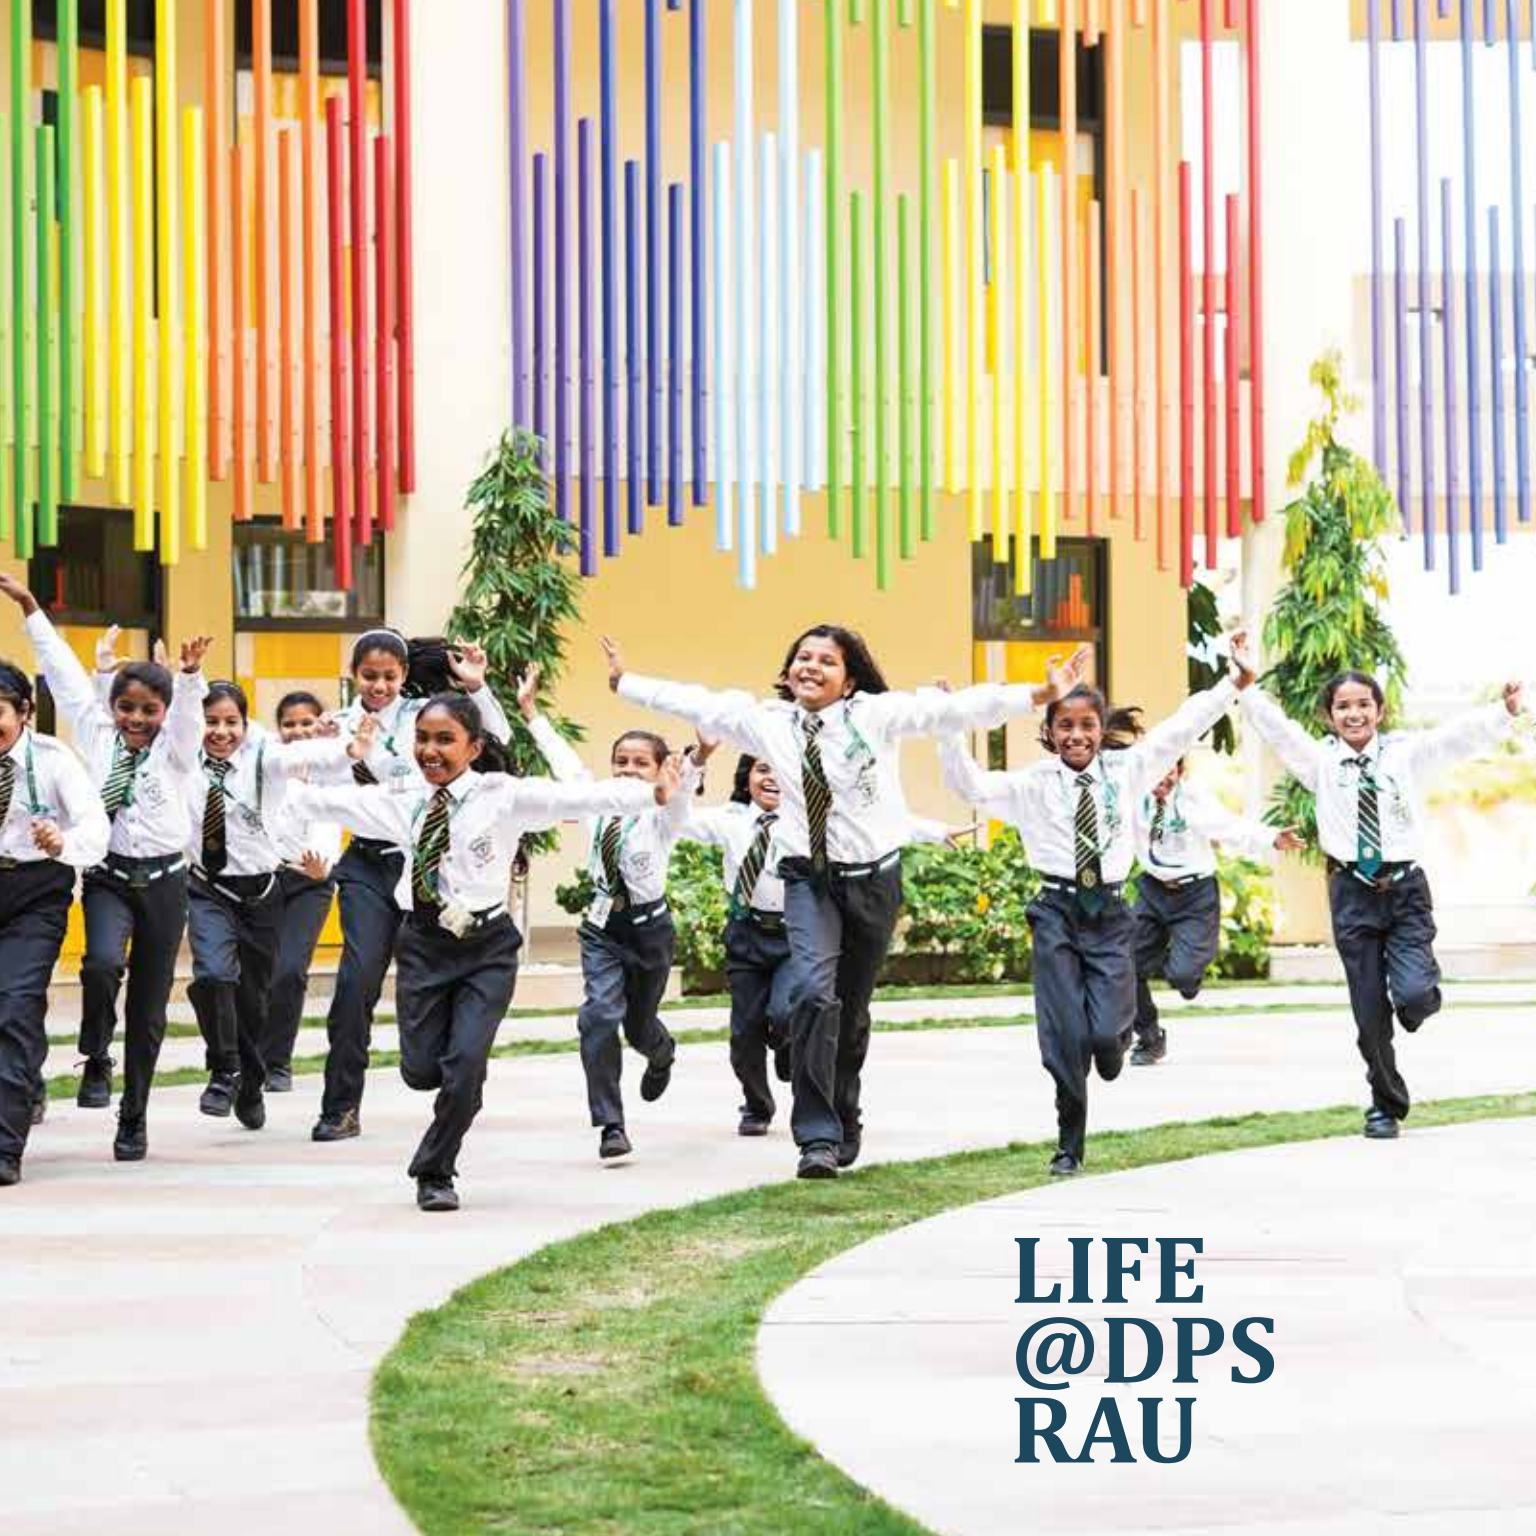

At our school, residential life is designed with both care and structure in mind. We maintain separate buildings spread across 39000 SqFt for boys and girls, ensuring comfort, privacy, and safety. At the same time, our co-parenting approach creates a nurturing environment where every child feels supported, valued, and guided.

Students are part of a house system that encourages teamwork, healthy competition, and holistic growth. Each house is led by experienced housemasters and housemistresses who not only oversee academics but also mentor students personally, helping them grow into confident and balanced individuals.

To ensure age-appropriate care, dormitories follow a triple-sharing format, allowing students to bond, learn discipline, and build lifelong friendships. The presence of dedicated mentors throughout a child's stay helps them receive personalized attention and tailored guidance.

Our boarding environment emphasizes strong connections - regular calling hours keep children in touch with their families, while our professionally planned meals ensure that every Dpsite is healthy, happy, and ready to learn.
