

SPORTS THAT SHAPE CHAMPIONS

With expert coaches and top facilities, learners compete from district to national levels.

8 Sports

8 Clubs

CLUBS THAT SPARK PASSIONS

From debating to coding, our clubs encourage creativity, collaboration, and leadership.

ACTIVITIES THAT ENRICH LEARNING

Beyond academics, our co-curriculars bring balance and joy.

7 CCAs

FACULTY TRAINED AT A CAMBRIDGE-CERTIFIED CENTRE

GIG Bengaluru stands apart with educators who embody the true spirit of Cambridge learning. They are periodically trained and upskilled at our **Cambridge-recognised Professional Development Centre in Singapore - the first of its kind in the SEA region.** In addition, our teachers benefit from continuous guidance and collaboration with the Cambridge faculty at GIG Singapore, equipping them with the specialised expertise the Cambridge curriculum demands.

ACADEMIC ADVISORY BOARD

Comprising experts from **Canada, India, and Singapore**, the expert-led GIG Academic Advisory Board guides our vision of future-readiness and holistic excellence, equipping students to thrive anywhere in the world.

SAFETY YOU CAN TRUST

Our **5 Code Safety Protocol** meets global security standards, with a **zero-tolerance anti-bullying policy** that makes school a place where students feel safe, welcomed, and excited to come to every day.

GLOBAL HORIZONS BEGIN WITH CAMBRIDGE EDUCATION

OUR STORY BEGINS IN SINGAPORE

From the heart of Singapore's education excellence, **Cognizance International Academy** brings its values of **innovation, meritocracy, and human values** to Bengaluru. At GIGIS, we combine world-class quality with accessible fees, shaping curious, confident, and compassionate young changemakers.

A LEGACY OF CAMBRIDGE SUCCESS

Year after year, students at GIG Singapore, have excelled in the **IGCSE examinations with remarkable results**. This consistent achievement reflects the strength of the Cambridge standards we follow, as the same proven academic excellence now guides every student's path at GIG Bengaluru.

GLOBALLY RENOWNED CAMBRIDGE CURRICULUM

The **Cambridge Curriculum** we offer is designed with a strong focus on child-centric learning. Built around each child's ambitions and interests, it fosters curiosity, creativity, and confidence. With international recognition, the Cambridge pathway opens doors to opportunities worldwide, serving as a true window to a global future for your child.

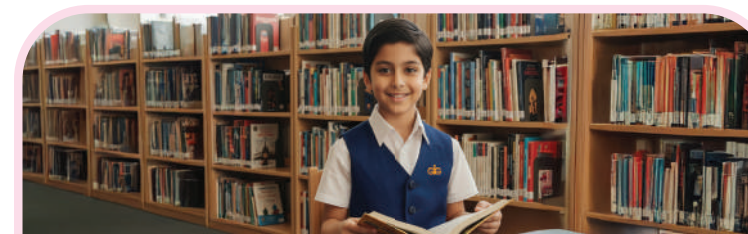

SINGAPORE'S CPA METHOD IN MATH & SCIENCE

We follow the **Singapore CPA** methodology in teaching problem-solving, conceptual depth, and real-world application.

EUROPEAN CEFR STANDARDS IN ENGLISH

Our English curriculum aligns with **CEFR** (Common European Framework of Reference for Languages), tracking progress from first words to advanced fluency in reading, writing, speaking, and listening.

SMALL CLASSES. BIG IMPACT.

With no more than **22* students per class**, every child gets personal attention and space to shine.

SHAPING FUTURES WITH EDUCATION 4.0

From tech-enabled classrooms to our **Innovation Lab**, students explore **Enterprise 4.0** and **STEAM** fields, building creativity, critical thinking, and adaptability for tomorrow.

EARLY FOUNDATION OF FUTURE-READINESS

Our **Early Years Programme**, created by a Canadian early childhood expert, blends play and purpose. Learners grow academically, socially, and physically. **COBO**, our learning mascot, sparks teamwork, creativity, and confidence.

7 STRANDS OF SUCCESS

Leadership, creativity, service, life skills - our **7-Strand Model** prepares students not just to face real-world challenge, but also shape one in the future.

5S PERFORMANCE MONITORING TOOL

Progress is more than just grades. We give parents a clear view of learning, tracking each child's pace, milestones, subject strengths, and personal growth across five levels.

Class strength may vary slightly, depending on the grade.
