SCHOOL VISION

To nurture the next generation of global leaders who can thrive anywhere in the world.

SCHOOL MISSION

We endeavor to create a community of curious, lifelong learners through compassion, collaboration, and creative pursuits to achieve global sustainable goals.

WHY PROMETHEUS?

Our Commitment to Academic Excellence:

Education is the cornerstone of success, and as one of the few IB schools in Noida, we leave no stone unturned in preparing our students for success in academia and beyond. We offer a range of comprehensive programmes that cater to students of all ages. From our toddler program (Ligo and Pre-nursery) that lays a strong foundation for lifelong learning to Cambridge IGCSE and A-Levels that prepare students for higher education and beyond, we offer a dynamic and transformative educational experience.

Our Innovative Approach to Learning:

We believe that every child is unique, and we work with each of our students to identify their talents and passions. Our goal is to help them develop their skills and pursue their interests, whether it's in academics, sports, arts, or any other field. We partner with parents to provide the best possible support and guidance for their children's growth and success.

Our State-of-the-Art Facilities and Resources:

We provide our students with the best possible infrastructure to pursue their sporting interests. We pride ourselves on our top-notch sports facilities, designed to inspire and support our students to reach new heights of athletic excellence. Our sports infrastructure is unparalleled, from our revolutionary indoor all-weather Olympic-sized swimming pool to our eight air-conditioned indoor badminton courts and international standard table tennis hall with fifteen tables.

ACADEMICS & BEYOND

Welcome to Prometheus School – where learning is reimagined, and excellence is the norm! Our school is resolute in its commitment to providing a comprehensive education that nurtures academic excellence, cultivates character, and instills a lifelong love of learning. Our philosophy of “reimagining learning” is embodied in the dynamic learning environment we create that is tailored to meet the unique needs of every student.

Toddlers – Ligo

Ligo is a dedicated unique space for Toddlers with enabling environment where positive relationships will lead to learning and development.

Primary School Program

At our school, the Primary Years Programme (PYP) begins at Nursery when the children enter our school at three and culminate in Form 5. The approach is significantly focused on learning through play in the early years.

Secondary School Program

The Secondary school carries forward the experiential learning process initiated by the Primary Years Programme. The programme builds on the knowledge and skills the students are exposed to during their primary education through meaningful projects, field trips, local and global interactions and other engaging initiatives which can be suggested both by the teachers as well as the students.

We offer the following programs:

LEARNING SPACES

At Prometheus School, success is evaluated by the quality of the instruction we provide to students and the engagement of the student in the learning process. To us, Academic rigor is about the quality of exchange during the teaching and learning. It is on daily basis that the students experience both success and challenge.

ENTREPRENEURSHIP PROGRAM

At Prometheus School, entrepreneurship is a cornerstone of the curriculum, reflecting its commitment to fostering innovation and leadership. The school integrates entrepreneurial skills across various subjects, emphasizing critical thinking, problem-solving, and creativity. Students engage in hands-on projects and real-world business scenarios, learning to develop and pitch their ideas. Through workshops, mentorship programs, and collaborative ventures, Prometheus nurtures entrepreneurial mindsets and prepares students to navigate and succeed in a dynamic global economy. This approach not only equips students with practical skills but also inspires them to become proactive, forward-thinking leaders in their chosen fields.

SPORTS

Prometheus School features premier sports facilities designed to cater to diverse athletic interests. The campus includes an Olympic-sized, all-weather swimming pool, offering year-round aquatic training. Indoor facilities are exceptional, with 8 badminton courts and 15 table tennis tables, providing ample space for practice and tournaments. For equestrian enthusiasts, the school has a dedicated horse riding arena. Additionally, the state-of-the-art shooting arena allows students to hone their marksmanship skills. These facilities, combined with well-maintained outdoor fields, ensure that Prometheus School supports a comprehensive range of sports and fitness activities, promoting both skill development and physical well-being.

School Curriculum & High School Subjects Offered:

As an IB Continuum School, we follow the MYP curriculum from Forms 6 to 10. In Grade 11, students choose between the IB Diploma Programme and the Cambridge AS/A-Levels curriculum. All our MYP and DP students opt for full certification/diploma, respectively.

School Extra Curricular

Social Engagement – At Prometheus, we are committed to developing students into caring global citizens who prioritize the well-being of their communities and the world at large. Our students actively engage in projects with NGOs such as Saahas (raising awareness about responsible e-waste disposal), Fiapo (animal welfare), and Maanushi (women's empowerment), and others. This year, we introduced 'Project Kripa', a student-led initiative focused on six social drives: We offer tutoring & mentoring, tree planting, toy drives, community wedding support, health check-ups, and a "No one should starve" drive. Students can also join clubs for sports, creativity, and leadership like Entrepreneurship, Robotics, and Debate.

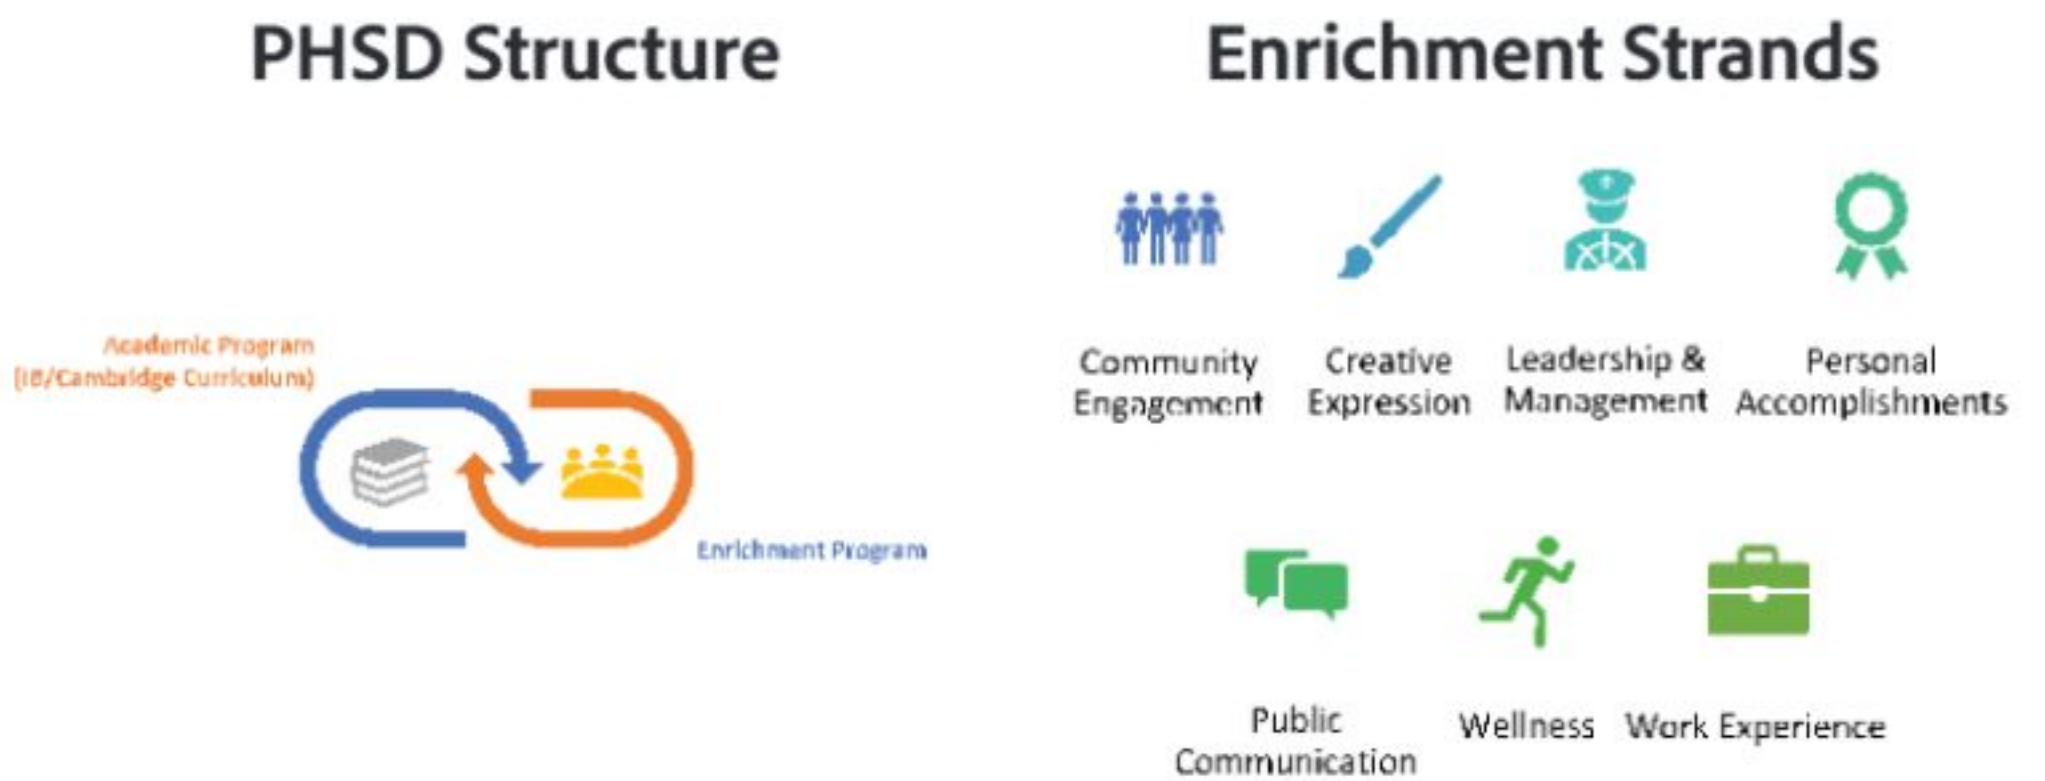

Sports Facilities

Prometheus School has its own state-of-the-art sports facilities. These include two gymnastics halls, a synthetic basketball court, a badminton arena, well-groomed horses and a stable, wooden-floored squash court, a synthetic tennis court, Two cricket nets, a football ground, an indoor shooting range with ten manual and one SIUS target machine, a 50-meter, 5-lane all-weather swimming pool, and 15+ table tennis boards. We are committed to nurturing future Olympians, with sports at our school's core. Sports are offered as part of the school curriculum and as after-school activities, including athletics, gymnastics, basketball, badminton, chess, cricket, horse riding, shooting, swimming, squash, tennis, table tennis, golf, and football.

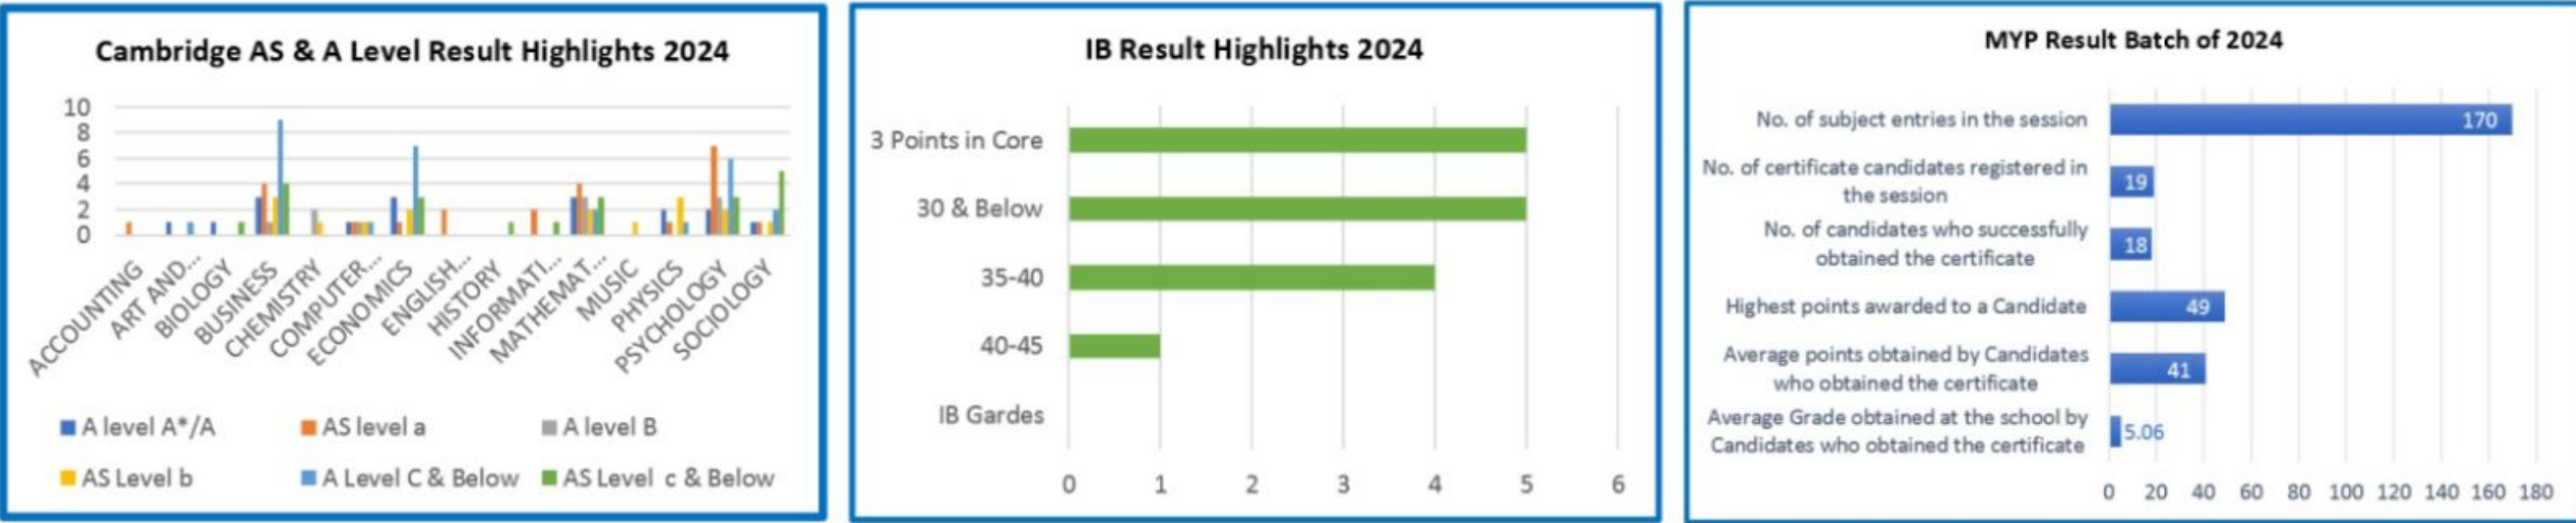

Prometheus High School Diploma (PHSD)

The Prometheus High School Diploma (PHSD) presents a well-defined path for students to steadily progress towards a promising future. Earning the PHSD entails fulfilling the IB/Cambridge curriculum requirements. The diploma's prerequisites are credit-based and span from grades 9 to 12, categorized into Enrichment and Academic credits.

Recognition Levels: Students receive the PSHD at the end of grade 12 in one of the categories of GOLD, SILVER, or BRONZE, according to the credit system requirements for the specific year.
