Historical Reflections :-

CMS English Medium Higher Secondary School is an unaided school recognized by the Government of Maharashtra. The school started in the year 1994 by the organization "Chinchwad Malayalee Samajam" (C.M.S.) consisting of a group of very dedicated people with a very high sense of motivation.

The school stands for academic excellence, development of skill and character formation based on the love of God and service to mankind. The school aims at the overall development of the children with a sincere commitment to the Govt and the nation. The aim of the organisation is to make the school in to a harmonious breeding ground for productive, talented and pro-active Indians brought up in a constructive and friendly atmosphere.

Our Objectives :-

To assist the students in their quest for knowledge by providing an all-round education for their mental physical, intellectual and spiritual development.

Co-Curricular Activities :-

The school offers a wide range of co-curricular activities to stimulate the interest of the student's hobbies and provide an opportunity for self-expressions, thereby ensuring the formation of an integrated personality. Annual competitions are conducted to expose the talents of students under different co-curricular activities such as : a) Quiz competitions in G.K., Science, Social Science, Mathematics and Information Technology. b) Essay - Writing c) Singing and Dancing d) Story telling and Recitation e) Debates f) Work Experience and their exhibition g) Competitions : Spelling, Rangoli, Drawing etc. i) Field Trips.

Educational Tours :-

Educational Tours are arranged annually where students are taken to places of historical, scientific, engineering, natural and academic importance. They also get an opportunity to co-ordinate among themselves.

Computer Lab :-

Today the school has a well-equipped computer lab with the latest hardware and software. Not only for Computer Education but the Computer Section is the major hub for all the school activities and events.

Physical Education :-

Due importance is given to physical fitness besides opportunities for playing games and participation in sports that ensure team spirit and a valuable sense of sports man spirit are encouraged. Intramural tournaments in all games among students under a house system are conducted annually. Participation in interschool tournaments held by the Educational Department inculcates in them a high sense of team spirit.

Library :-

Library generates information through various forms of collection, such as Books, Journals & Periodicals etc. An easy and ready access to library resources for updating the knowledge base of students. Our endeavour is to keep the users of library aboard of the state of the art inputs in respect of their levels. We are streamlining our concerted efforts to build our library as an excellent centre for disseminating information.

Chemistry Lab :-

Chemistry lab with advanced equipment and facilities aid and stimulate our students to learn best with practical knowledge. It empowers them with better comprehension and moves their inquisitiveness in the correct direction.
