

Vision

Flying Birds School shall establish group of educational institutions; promoting value based exemplary educational system in line with our rich national heritage by blending old & new innovative concepts for all round harmonious growth of the students in physical, mental, intellectual and moral dimensions with well balanced educational curriculum, catering to the next decades onward's growth to herald our national youth force in the forefront as true leaders of knowledge bank & serve the society in line with our core philosophy of 'Sarvejano Sukhino Bhavantu'

Mission

Flying Birds School shall plan, design & implement systematically the complete educational system to meet all the points as stated in the vision statement. This shall be achieved by setting up best model central school with adequate space, facilities, infrastructure, well-trained teachers & man-power with a scope for continuous development, to cater to future ever growing demands for further 4 to 5 decades in stages.

The educational system shall have a **unique research & development wing with central training center to prepare the best of the teachers and staff** to nurture, train the young budding children to transform them to be true leaders & human beings of the world.

The educational institution shall be well-crafted, taking into consideration all the requirements of the youth & the education system; which shall be blessed by great luminaries, thinkers, scholars, educationists, seers & saints to **make it a reality by latest March, 2015. Then it shall be dedicated to the nation by the grace of Almighty !!!**

Our Present Major Activities

1. The Flying Birds School is providing schooling from play group to primary based on **prestigious ICSE pattern**.
2. We are one of the first schools, who have started **Sanskrit & German languages** as a part of the curriculum.

3. We are proud to state that, the school is also engaged in various extracurricular activities, which includes skill development, music, fine arts, instrument music, physical training, sports, leadership development etc.

Unique Training / Development Programs

1. Special external faculties are invited to train our teachers & staff on selected educational topics to update their knowledge from time to time. (We have regular Teacher Training programs also)
2. We are also conducting special training programmes for parents & apprise them about the children's academic performance & provide counseling/ guidance for upbringing of the children. We take valuable suggestions & inputs from them for improvement of the education system. (We have incorporated **UNIQUE SUGGESTION SCHEME**)

UNIQUE FBS EDUCATION PLANS (UE SMART PLANS)

FBS is pleased to introduce an **Attractive Education Plans** in 4 different categories for the **benefit of all parents guardians** to shape the bright future of their children free from recurring financial problems on schooling, with Total peace of mind!

Dear Parents/ Guardians you are requested to contact for total information about the plans at our office or call our school field Representative for personal discussion & procedure for Registration of the **UNIQUE PLAN**. Also visit our unique education plan website.

The Strategic educational Project Plan (" FBS VISION 2015 ")

The Flying Birds School has taken up new project, which shall be established in about 10 acres of land to cater to pre nursery till 12th STD to accommodate about 5000 students in stages. The campus shall have all the requisite modern infrastructure class rooms, canteen facility, residential facility, research and development center, training center, well equipped laboratories, computer center, sports complex, gymnasium, library, auditorium, spacious play grounds etc **in par with national and international standards.**

The phase 1 of the project shall be completed by **March 2015** and phase 2 shall be established by **2018 latest.**

Why To Consider Us!!!

Flying Birds School has drafted unparalleled vision & mission, which is totally unique from the current national as well as international schooling pattern. It is designed with a view to create a revolutionary movement in the current educational model.

An Humble Appeal for The CAUSE

"JAI HIND"

Welcome to Flying Birds School

Mr. Jayant J. Paranjape & Mrs. Sujata J. Paranjape, a devoted couple & founder members of Nursery & Primary School are instrumental in providing a well-balanced, multi-dimensional, unique educational system to the society. They have crafted the educational system keeping in mind future long cherished vision in line with our core philosophy to develop young budding educated youth as true role models.

FBS History

Flying Birds School has taken birth on 10th February, 2007, by promoting nursery school with a strength of just modest 13 students in an area of 700sq.ft. The present school developed gradually & now we are running nursery & primary school upto std. 4th with a student's strength of over 300 to the fullest satisfaction of the parents & children.

FBS Core Philosophy

To instill & spread, well balanced quality education system blended with moral values & abundant knowledge for all round holistic growth of our children, right from the infant stage to adulthood irrespective of caste, creed, discrimination of any form. This shall be achieved by moulding of youth force to steer this unique revolutionary educational movement to the highest world order days to come!
