Empowering every student's journey with passion, purpose, and support

-Priyadarshani

**We are
Priyadarshani** ↗

Established in 1982, Priyadarshani Group of Schools inspires young minds, through quality education that empowers every student to thrive.

Vision ↗

To nurture responsible citizens through holistic education and critical thinking.

Mission ↗

To foster personal growth and leadership by recognizing each student's unique potential.

Shri Indraman Singhji

Founder Chairman

1946- 2020

Our Heritage ↗

Founded by Late Shri Indraman Singhji, who rose from humble beginnings with a vision of education for all, the Priyadarshani Group embodies his legacy of compassion, holistic learning, and spiritual growth. Starting with just five students in 1982, the group now serves over 17,000, staying true to his belief that education unlocks human potential and builds a compassionate society.

DR. RAJENDRA SINGH | JITENDRA SINGH | SAARITA SINGH | MAHENDRA SINGH | NARENDRA SINGH

Board of Trustees 7

The Managing Trustees of Priyadarshani Schools, with decades of experience, lead the institution with a shared vision for excellence, focusing on holistic development and ensuring quality education across multiple campuses.

“The beautiful thing about learning is that no one can take it away from you”
— B.B. King

Academic
Excellence ↗

The **SSC curriculum** (Maharashtra State Board) combines theory with practical learning, equipping students with essential skills for higher education and future goals.

The **CBSE curriculum** emphasizes critical thinking, creativity, and holistic development, preparing students for academic success & competitive exams.

The **IGCSE program** offers an internationally recognized curriculum that promotes critical thinking, inquiry, and global perspectives, fostering independence and problem-solving skills.

Teaching
Methodology ↗

Student-Centered Learning
Personalized education for each student

Inquiry-Based Approach
Learning driven by curiosity and questions

Blended Learning
Combining classroom and digital tools

Project-Based Learning (PBL)
Real-world projects for practical skills

Experiential Learning
Hands-on learning that connects theory to practice

Collaborative Learning
Teamwork through group activities

Continuous Assessment and Feedback
Regular feedback for continuous improvement

Indian Knowledge System

Priyadarshani Schools integrate the Indian Knowledge System (IKS) in subjects like Math and Science, fostering a blend of tradition and modernization, in line with the standards set by the Ministry of Education, UGC, and AICTE.

Holistic Development

Holistic development nurtures every aspect of a student's growth—intellectual, emotional, social, and physical. Integrating diverse programs in arts, music, sports, and life skills, it creates a balanced learning environment where students thrive in all areas of life.

-  Emotional Development
-  Critical Thinking
-  Experiential Learning
-  Multi-disciplinary teaching

Sports ↗

Sports and physical education promote teamwork, discipline, and physical well-being, helping students build resilience and develop a healthy lifestyle.

Football

Cricket

Volleyball

Kabaddi

Handball

Relay &
Races

Karate/
Martial Arts

Yoga

PROGRAMS

- **ACE Talent Sports Program (CBSE)**
Expert coaching to develop student-athletes
- **Spolto (CBSE)**
Technology-based sports community for students
- **Scout Guide (CBSE & SSC)**
Building leadership and life skills through outdoor activities.
- **Karate/Martial Arts (CBSE & SSC)**
Developing discipline, resilience, and self-defense

“
Building resilience and well-being for
a brighter future”

Life skills and Emotional Wellness ↗

Focusing on life skills and emotional wellness equips students with the tools to navigate challenges, build resilience, and foster positive relationships, ensuring overall personal growth and well-being.

-  **Remedial Classes**
Remedial sessions for academic challenges
-  **Step Education**
Learning strategies for obstacles
-  **Student Lead Teaching (SLT)**
Empower students to teach & learn
-  **EI ASSET Program**
Identify gaps & enhances thinking
-  **IQube Program**
Improve quantitative reasoning skills
-  **Open Door Education**
Foster critical, interactive learning
-  **Know Your Aptitude**
Discover strengths & career paths
-  **SAIT**
Practical skill development workshops
-  **Mahesh Tutorials (MT)**
Subject support for academic excellence

Innovation & Technology

Digital Classrooms & Learning Tools

Digital classrooms and learning tools create an interactive, tech-driven environment that enhances engagement and fosters deeper learning and skill development.

STEAM & Coding Programs

STEAM and Coding Programs, including a dedicated Physics Lab, foster critical thinking, creativity, and problem-solving skills, preparing students for future innovation across science, technology, engineering, arts, and math.

DARC (DRONE, AI, ROBOTICS & CODING)

DARC (Drone, AI, Robotics & Coding) provides a dynamic platform for students to explore emerging technologies through hands-on learning. It integrates drones, AI, robotics, and coding to foster creativity, problem-solving, and technical expertise. Through DARC students develop future ready skills for innovation & real world applications.

Professional Development ↗

- **Science Olympiad Foundation**
Encourages Math and Science Olympiads, improving problem-solving and offering scholarships.
- **International Level Olympiad**
Global competition in Math and Science, enhancing academic profiles and scholarship chances
- **SpellBee**
Improves spelling and language skills through vocabulary competitions
- **Live Olympiad**
Real-time contests promoting quick thinking and problem-solving
- **Humming Bird**
National and international competitions foster critical thinking and academic success
- **National Analytical Aptitude Test**
Tests analytical skills, preparing students for academic and career success

Health and Safety ↗

- **Safety and Security Measures**
Comprehensive security protocols, CCTV, and trained staff ensure a secure campus environment.
- **Hygiene and Sanitation**
Regular cleaning and strict sanitization practices maintain high hygiene standards across the school
- **Counseling and Wellness Programs**
Counseling services and wellness programs support mental health, stress management & balanced lifestyle.
- **Physical Education and Health Awareness**
Regular physical education, sports, and health awareness programs promote fitness & healthy habit
- **School Bus Safety**
Safe and reliable school bus services with trained drivers & attendants ensure student well-being.
- **Fire Safety**
Fire alarms & extinguishers are strategically placed, with trained staff ensuring quick response.

“ At Priyadarshani Group of Schools,
we believe that education is not just the transfer of knowledge;
it is the spark that ignites curiosity, shapes character,
and nurtures lifelong learners.

Each day, we are inspired by the journey our students take
not only toward academic achievement but toward becoming
creative, compassionate, and thoughtful individuals ”
