Secondary

Cornerstones of our school

Our school offerings are delivered through 3 cornerstones

- Academic Excellence
- Operational Excellence
- Health, Safety & Child Protection

Academic Delivery Framework

Ryan International Academy is built to create a 21st century learner who will emerge as a national and global citizen through a safe and enabling environment and innovative learner centered pedagogy delivered by inspiring educators. The offering at International Academy is structured around 12-point vision and the KASSM approach.

Evolving to the new normal of Learning
