VISION

BRS Global School produces scholars who are globally competitive learners. Through equitable access to high-quality academic, social, and applied learning, students are ready to excel in college, careers and life.

MISSION

We build the future of our students by providing pathways for all students to become responsible, productive, and informed citizens who can compete in a diverse world.

We foster quality education with a scientific outlook, nurturing all-round development and co-cultural learning to empower confident, well-prepared children for today's dynamic world.

ABOUT US

Established in 2008, BRS Global School is one of the leading CBSE institutions in Bangalore, with campuses at Sarjapur (up to Grade 12) and Attibele (up to Grade 10). We are dedicated to nurturing confident and resilient learners through holistic development. Supported by a team of highly qualified educators, we provide a joyful and supportive environment that empowers students to excel and prepare for a bright future.

OUR SPECIALITIES

- Establishing excellence in scholastic & co-scholastic spheres.
- Qualified and Experienced Faculty.
- Individual attention and monitoring.
- Continuous Evaluation & Periodic Parent-Teacher Meetings.
- Rich & Spacious Laboratories.
- GPS & CCTV covered school buses & campus.
- Empowered with latest technology.
- Synthetic Turf Ground.

FACILITIES

COMPREHENSIVE LIBRARY

Our library provides access to a wide range of books, magazines, and encyclopedias, encouraging students to explore knowledge beyond the classroom.

PLAYGROUND

BRS has a spacious playground with a turf field and a large basketball court behind the school building, where various sports, yoga, and karate sessions are conducted.

SPECIALIZED LABORATORIES

Fully equipped labs for Physics, Chemistry, Biology, Mathematics, and Computer Science that facilitate hands-on experiential learning.

CURRICULUM

At BRS Global School, we follow the CBSE curriculum integrated with NEP-aligned practices to support holistic development at every stage of learning.

Pre - Primary

Our early years program blends Montessori and Kindergarten methods, encouraging exploration, independence, and foundational skill-building through hands-on activities.

Primary & Middle School

We focus on strengthening core subjects, communication abilities, and a passion for inquiry-driven education.

Secondary School

Our curriculum prepares students for board exams and beyond, combining academic rigor with life skills. Integrated coaching with Aakash Institute equips students for competitive exams within the school framework.

BEYOND THE CLASSROOMS

- **CO-SCHOLASTIC:** Students participate in karate, music, dance, art and craft, yoga, and literary activities under expert guidance.
- **ROBOTICS:** Prepares students for future technologies by fostering innovation, teamwork, and critical thinking. It nurtures diverse talents, strengthens personal skills, and opens pathways for lifelong learning and leadership.
- **ABACUS:** To build strong math skills, boost confidence, and spark a love for numbers.
- **NTSE:** A national-level scholarship program that identifies and supports secondary school students with exceptional aptitude in Science, Mathematics, and Social Science.

CURRICULUM ENHANCEMENTS & EDUCATIONAL PARTNERSHIPS

A complete school platform for admissions, fees, attendance, exams, and communication. It also supports homework, worksheets, and reports, keeping teachers, students, and parents connected in one place.

Kindergarten to Class 8 - Swa-Adhyayan is an easy-to-use digital learning and assessment platform. The platform offers activities and assessments designed as per the latest curriculum, making learning more effective and engaging.

Nursery to Grade 6 - Sportifit provides a research-based physical education program for students. It builds movement skills, introduces multiple sports, and helps students master fitness through fun, structured activities with personal attention and safe equipment.

Grades 1 to 9 - Cambridge English Qualifications are international exams that test and improve English skills (reading, writing, listening, and speaking). They help students build confidence in communication and are recognized worldwide by schools, universities, and employers as proof of English proficiency.

Grades 11 & 12 - Aakash integrated coaching for NEET and JEE to help students prepare for competitive exams without extra burden.

Al-powered smart transport platform that delivers live GPS tracking, automated attendance, route optimization, and instant app/SMS alerts.

HOLISTIC STUDENT ENRICHMENT PROGRAMS

- **Inter School Competitions** at BRS Global School give an exposure to the students to explore their hidden talents, uncover personal aptitude, explore creativity, and adopt innovative techniques.
- **After School Activities** like Football & Basketball that offer opportunities to learn new skills, improve existing ones and explore different interests so that the students can nurture their inborn talents under the able guidance of professionals and trained teachers.
- **Literary Club** – to engage students in debates, quizzes, theatrical performances, book reviews, newsletters, literary journals recitations etc.
- **Model United Nations (MUN)** – it helps our students develop essential skills in diplomacy, research & public speaking.
- **Science Club** – Science isn't all about memorizing facts and figures it's all about the excitement of exploration, experimentation and discovery.
- **Eco club** – to empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighborhood communities to promote sound environmental behavior.
- **Topic-based student development workshops** runs throughout the academic year. Led by expert instructors and counsellors, these workshops support classroom learning and help students across all grades build confidence, creativity, communication and critical thinking skills.
- **Skill Subject – Artificial Intelligence** equips students with foundational knowledge of AI. The subject aims to equip students with critical thinking, problem solving and technical skills relevant to the modern job market.
- **Enrichment Program** – Designed to support students who face challenges such as low comprehension, weak memorization, or difficulty in following and applying instructions. It also addresses issues like lack of motivation towards learning and the need for additional time to complete certain tasks. The program ensures that students receive focused guidance, personalized strategies, and consistent care through remedial teaching.
- **Celebrating festivals** in schools with friends & teachers is more fun, fostering cultural appreciation and teaching social awareness beyond textbooks. National festivals, seasonal or religious festivals, the school assemblies have seen splendid spectacles of celebration to deepen the bonds with each other through singing, narrating & displaying the cultural heritage of our nation.
- **Outbound Learning (OBL)** – Educational visits, excursions & field trips at BRS has always provided a break from traditional classroom settings, offering students the chance to learn through direct observation and interaction with the subject matter, encouraging teamwork, cooperation and communication among students.

EDUCATION WITH A GLOBAL VISION

WHY CHOOSE BRS GLOBAL SCHOOL FOR YOUR CHILD'S EDUCATIONAL JOURNEY?

Intellectual Aspect

We make learning enjoyable with interactive methods like discussions, projects and video-based lessons. Following the CBSE curriculum, we cater to all learning paces, with special focus on slow learners. Regular assessments and parent-teacher meetings ensure continuous feedback on each student's progress and development.

Social Aspect

We help students socialize, make friends and adapt to a disciplined routine. Teachers act as second mothers, guiding students to interact with peers and participate in activities like drama and dance. Our focus is on instilling empathy, kindness, punctuality and engagement in every student.

Moral Aspect

We focus on both academic excellence and moral development. Through compulsory value education, students learn ethics, responsibility and respect for all living beings. We believe knowledge without morals is incomplete. Our dedicated staff and facilities help students grow into confident, thoughtful individuals, balanced in intellect and values.

Physical Aspect

We prioritize both mental and physical development. We emphasize physical games, yoga and exercises, organizing inter and intra-school competitions to foster team spirit and sportsmanship. We teach students to win fairly and accept defeat gracefully, promoting physical and mental health for a fitter, better future.

EMPOWERING LEARNERS, ENRICHING LIVES
