

OUR VISION

The greatest strengths of the school spring from the quality of the human relationship through out the community and the sense of companionship that these engender. The Boarding environment encourages a strong sense of community and helps to develop friendship that will be sustained and be sustaining- in life beyond the school. Birla Public School belongs to the conglomerate of the Birla Education Trust, Pilani(BET) schools, a world-renowned Center of Excellence in the field of education in India. The legacy of BET and the desire to provide the best educational practice to Boys and Girls in India makes the school a unique boarding environment.

Minds on Wings

Nurturing young minds for future

OUR MISSION

"Our mission is to empower students with a Future-Ready Education, nurturing their growth in a safe and supportive environment. We are committed to fostering holistic development, academic excellence, and character-building, preparing students for a successful and fulfilling life beyond our doors."

Our Accreditations

Philosophy

Perfect blend of Birla's 100 years Foundation of strong values, knowledge, traditions and discipline. Birla Public School provides holistic education to students encompassing different spheres of learning that helps them nurture the leader within. We stimulate students' aptitude and capacities and ensure that every child is immersed in an education world where learning is central to all activities. Every student is encouraged to think and share, be independent, confident, responsible and be a sound decision maker. Birla Public School benefits your child to be inimitable and script their own story.

Life @ BPSK

BPSK offers an extensive array of student hostels, catering to both male and female residents. Our boarding facilities are meticulously designed to cater to students' comfort and educational requirements. These accommodations boast full air-conditioning, excellent ventilation, and a comprehensive range of amenities, including indoor badminton courts, table tennis, communal spaces for socializing and relaxation, designated areas for individual and group study (PREP rooms), internet access through SPACs and SKYPE for parent communication, an in-house barber shop, laundry services, access to pure RO drinking water, and on-site medical support.

Our students are under the watchful care of highly-trained hostel staff who are dedicated to the well-being and needs of our boarders. Their safety and happiness are of utmost concern, ensuring an environment where good habits and a strong sense of community are fostered through a variety of social and moral activities.
