

MADHUSTHALI VIDYAPEETH

Madhupur, Deoghar, (Jharkhand) | A Co-Ed Residential / Day
Boarding / Day School | Affiliated to CISCE, New Delhi

PROSPECTUS

We guide
CHILDREN
to **BLOOM** for
tomorrow

Modern education is premised strongly on materialistic values. It is vital that when educating our children's brains that we do not neglect their hearts, a key element of which has to be the nurturing of our compassionate nature.

and holistic growth

GROWING UP IN SAFE HANDS

Madhusthali

Vidyapeeth: Rooted in Nature,
Shaping the Future

Founded in 1997 by the Madhusthali Vidyapeeth Trust and supported by the prestigious MCKV

Group, Madhusthali Vidyapeeth offers a nurturing environment for young minds to grow and excel. As a co-ed residential school affiliated with the Council for the Indian School Certificate Examinations (CISCE), we are committed to shaping global citizens with a strong foundation of values and skills.

At Madhusthali, education goes beyond academics. Our holistic approach fosters intellectual, physical, moral, and social growth. Students are guided toward their strengths, with personalised feed-back and support from teachers, counsellors, and the Principal. Together with parents, we help chart a clear path for each child's future, ensuring they are equipped to succeed in any challenge, anywhere in the world.

MESSAGE

CHAIRMAN'S Desk

It is with great pride that I welcome you to Madhusthali Vidyapeeth. Whether you are a parent,

student, staff member, or someone interested in our vision, I invite you to visit our beautiful campus and experience firsthand why Madhusthali provides the ideal environment for both young learners and emerging leaders. We are the third-best Day-cum-Boarding School in Jharkhand and first in Deoghar Dis-trib.

Since its inception, our institution has been dedicated to spreading the light of education and fostering academic excellence. At Madhusthali, education goes beyond textbooks and exams. We emphasise the development of humanitarian values such as wisdom, compassion, courage, and integrity, ensuring our students grow into well-rounded individuals ready to face the challenges of the world.

With over two decades of experience, the MCKV Group believes in holistic education that balances academics, co-curricular activities, sports, and life skills. Our focus is on creating opportunities, challenging minds and nurturing innovation while maintaining a strong commitment to teacher development and student support.

At Madhusthali, we foster self-confidence, motivation, and resilience in every student. Our state-of-the-art facilities and continuous teacher training ensure that our students receive a real-value education in an environment that promotes discipline, good manners, and respect for traditional values.

We believe this is the best place for your child's growth and welcome your active involvement in their journey. Together, we can ensure their bright future.

K.K. Kejriwal

PRINCIPAL'S Desk

As Martin Luther King, Jr. once said, "The function of education is to teach one to think intensively

and critically. Intelligence plus character – that is the goal of true education." It is with great pleasure that I welcome you to Madhusthali Vidyapeeth, where we are committed to fostering both intelligence and character in every student.

Guided by our motto "Aap Deepo Bhava" – "Be your own light" – we focus on the holistic development of each child. Our goal is to nurture well-rounded individuals who are happy, confident, and equipped with the skills and values needed to thrive in an ever-changing world.

At Madhusthali, education is not just about academic achievement. We view it as a powerful tool for social transformation. We take great pride in the success of our students, who make meaningful contributions to society. This is a reflection of our clear vision and mission, which are brought to life through the dedication of our staff and teachers.

Our school places immense importance on each student's individual growth, fostering behavioural discipline, moral integrity, and cognitive development. With state-of-the-art technology, a safe and secure campus, and a supportive environment, we ensure that every child's learning experience is positive and enriching.

We are proud of our strong track record in ICSE and ISC results, which has been achieved through the hard work of our students and the unwavering dedication of our teachers. We will continue to strive for excellence, aiming to reach even greater heights.

Open communication between parents and teachers is central to our approach. We believe that a strong partnership with parents is key to each child's success. Regular parent-teacher meetings and feedback systems ensure that we work together to help every student reach their full potential.

Thank you for placing your trust in us. We look forward to a long and fruitful partnership with you and your child.

Bitan Biswas

MISSION

Our mission is to prepare students for all walks of life by fostering their academic, physical,

psychological, spiritual, and moral development. We aim to build strong character, promote unity

and teamwork, and instil a sense of purpose. With a patriotic outlook and a commitment to serving the nation, our students are equipped with the efficiency, dedication, and zeal needed to excel in any en-deavour.

VISION

Our vision is to nurture the all-round development of each child, shaping them into individuals of strong values who grow into better human beings and constructive citizens. We aim to achieve this through the following objectives:

- To equip students with the vision and skills needed to lead successful, fulfilling lives.
- To instil a spirit of service and foster responsible citizens who contribute positively to the nation and the global community.
- To prepare students to face life's challenges confidently, empowering them to shape their futures.
- To offer a balanced, life-oriented education by incorporating modern scientific knowledge, progressive techniques, and learning methodologies that emphasise values and cultural appreciation.

OUR MOTTO

Aap Deepo Bhava – Be Your Own Light

Our motto reflects the importance of inner strength and courage. We strive to awaken these

qualities in our students, instilling values that empower them to illuminate their own paths and bring light and positivity to the world around them.

IN PURSUIT OF KNOWLEDGE

Academics

Madhusthali Vidyapeeth is an English medium school that not only imparts education but also equips students with strong spoken and written English skills. We follow the CISCE syllabus, New Delhi, preparing our students to compete at the national level and consistently achieving 100% board exam results.

Curriculum

Our curriculum and pedagogy are designed to foster cognitive development, character-building, and holistic growth. The ICSE examination structure is aligned with the New Education Policy to ensure a well-rounded education.

- Classroom sessions are enriched with fun, creative, and exploratory activities.
- Vocational education is integrated into the curriculum, offering exposure to a variety of vocations. & “Bagless days” allow students to learn hands-on skills from experts like carpenters, garden-ers, potters, and artists.
- The curriculum is rooted in Indian and local culture, traditions, heritage, and contemporary knowledge and incorporates indigenous and traditional learning methods.
- The integration of technology plays a vital role in enhancing our curriculum.

SERENE SURROUNDINGS

Nestled in the heart of nature, Madhusthali Vidyapeeth offers a peaceful, serene environment that is ideal for both students and parents seeking a calm and focused atmosphere away from the bustle of city life. Spread across 25 acres of lush greenery, the campus is located along the banks of the Pathrol River and surrounded by hills on three sides, providing an inspiring natural setting for growth and learning..

Location

Madhusthali Vidyapeeth is strategically situated near the Jharkhand-West Bengal border and is well-connected by rail. Located in Madhupur, Deoghar District, the school is a major junction on the Eastern Railway's Howrah-Patna main line, with easy access via Rajdhani Express and other trains. The campus is just 4 kilometres from Madhupur railway station, making it convenient for students and parents from neighbouring states. Key landmarks include Asansol (80 km), Chittaranjan (60 km), and the famous Baidyanath Dham in Deoghar (30 km). The school is easily accessible from Kolkata, Ranchi, and Patna, with a travel time of approximately 4 hours.

As Albert Einstein said, "Look deep into nature, and you will understand everything better." This natural setting fosters clarity and inspiration for all who come here.

TRUSTED GUIDANCE

A Committed Faculty and Staff

At Madhusthali Vidyapeeth, we believe that great teachers go beyond the call of duty, continually growing and improving their craft. Our teachers participate in regular conferences, workshops, and professional de-velopment programs to stay at the forefront of technology and pedagogy, ensuring students receive the best possible education.

Under the close supervision of the Administrator and Principal, lesson planning, classroom performance, and co-curricular contributions are continuously monitored to maintain the highest standards of teaching and learning.

We are also committed to staff development through ongoing in-service programs covering academics and pedagogy and areas like psychological counselling, personality development, and career guidance. Each student receives personalised attention, and our teachers are always available to support their growth in and out of the classroom.

Residential staff

Our residential and essential staff live on campus in dedicated quarters, with hostel staff housed in semi-furnished accommodations to ensure they are always available to assist the students whenever needed.

Partnership with Parents

We recognise that a strong partnership with parents is key to the success of our school community. We keep parents informed through newsletters, regular updates on the school's website, and detailed school reports on their child's progress. Parents are always welcome to visit and discuss any concerns directly with the Administrator or Principal. This collaborative approach ensures that we work together to achieve the best possible development for every student.

A HOME AWAY FROM HOME

Madhusthali Vidyapeeth is a residential school providing children a nurturing and secure environment, offering each student the care and attention they need to thrive. With separate boarding houses for junior boys, girls, and senior boys, the school ensures a safe and comfortable stay for all students, with a professional security agency providing round-the-clock security.

Students are assigned dormitories based on their age and class. They follow a structured schedule designed to instil discipline and foster lifelong healthy routines. Their day begins with morning jogging and concludes with evening sports and specialised coaching sessions.

Weekends are filled with fun and excitement, offering a variety of indoor and outdoor activities, including cinema screenings, cultural programs, campfires, adventure outings, and picnics. The Hostel Warden, House Masters, and House Mothers always provide round-the-clock support and care, ensuring every child feels at home.

PERSONAL CARE

Students at Madhusthali Vidyapeeth dine with the teaching staff in a well-designed central dining hall, fostering community and togetherness. We serve pure vegetarian meals prepared in hygienic conditions by our expert catering team.

The hostel Warden, Administrator, and Principal carefully monitor every meal to ensure students receive a balanced diet that supports their growth, learning, and physical activity.

Menus are regularly updated to provide students with healthy, nutritious, and delicious food. Mealtimes also allow students to learn dining etiquette and community norms, making them a valuable part of their holistic education.

Health & Medical Care

Madhusthali Vidyapeeth places great importance on the health and well-being of every student. All students undergo regular medical examinations by specialists, and detailed health cards are maintained to track their progress. A dedicated health coordinator also teaches personal hygiene and healthcare to ensure students develop healthy habits. The school has a fully equipped infirmary staffed by a qualified nurse, and in the event of serious illness, students are transferred to the best hospitals, with parents being informed immediately.

Counseling

The school provides counselling services to support students facing academic or emotional challenges. Growing children often encounter pressures both in and out of the classroom—whether from peers, family, or social situations. Left unaddressed, these pressures can lead to emotional, psychological, or social difficulties. Our trained School Counsellor is available to help students navigate these challenges, offering guidance and support to ensure their well-being and personal growth.

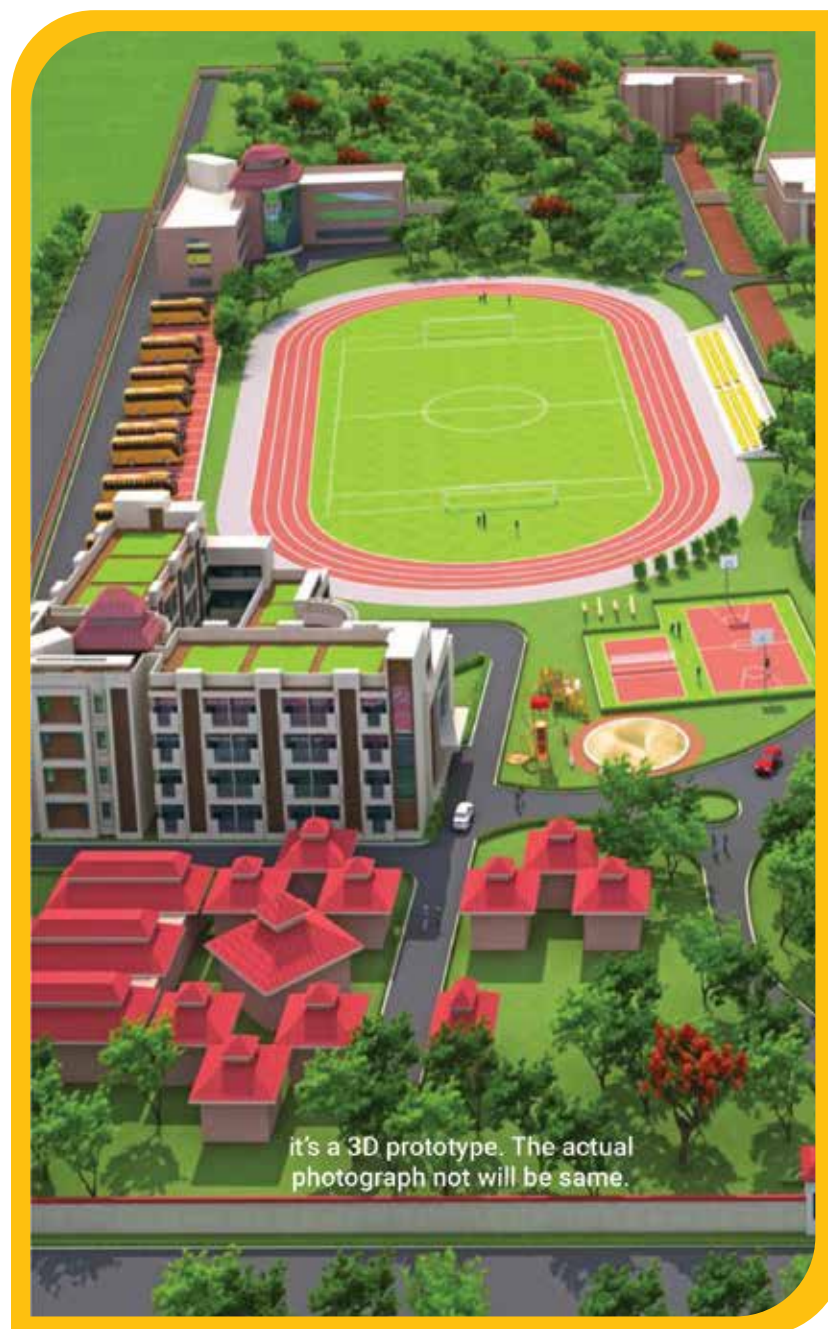

INFRASTRUCTURE

The school's infrastructure was designed by the renowned architect, the late Mr. Nariman Gandhi, focusing on creating spaces that inspire harmony and productivity. Every effort has been made to keep the surroundings fresh and green, fostering an environment where creativity and learning can thrive.

The campus is organised into three main blocks: educational, residential, and recreational/dining. The educational block features spacious, well-ventilated classrooms equipped with modern teaching aids. Across all areas, the school offers state-of-the-art facilities to support students' development in every sphere.

State of the Art Infrastructure for Increased Educational Development

In response to the growing demand for space and modern facilities, Madhusthali Vidyapeeth is undergoing a significant expansion. Construction of a new building is already underway, which will introduce additional infrastructure, including a swimming pool and an indoor sports complex.

We believe that a conducive learning environment goes beyond bricks and mortar. The new block has been thoughtfully designed with an eco-friendly approach, combining functionality with an atmosphere that nurtures learning and growth.

The Management has planned extensive infrastructure to support both academic and extracurricular activities. Key features of the new block include:

- Well Ventilated Classrooms
- Exam halls
- Spacious classrooms
- A theatre
- Indoor activity spaces
- Well-equipped laboratories
- Courtyards
- An audio-visual room
- A well-stocked library

This expansion will provide students with the resources and facilities needed to thrive academically and personally.

The building’s unique design is age-appropriate and complements the sprawling, lush green campus. The natural surroundings create a welcoming atmosphere where teaching and learning are enriched by the sounds of birds and the sight of butterflies. Open-air classes allow students to stay connected with nature, while the trees, plants, and flowers across the campus provide a serene environment for study.

Madhusthali Vidyapeeth is further enhancing its campus with carefully selected elements that are not only beautiful but functional. These additions will offer spaces for students to sit, relax, and play, creating lasting memories as they grow and transition through different stages of their educational journey.

Science Laboratories

Madhusthali Vidyapeeth offers state-of-the-art science laboratories for Physics, Chemistry, Biology, and Computer Science, providing students with hands-on experience to complement their theoretical knowledge. Practical work is at the core of science education, and through observation, experimentation, and verification, students gain a deep understanding of scientific concepts. Our well-equipped labs bring subjects to life, sparking curiosity and making science a favourite among students. All experiments are conducted under the guidance of trained staff, encouraging students to explore the wonders of science.

Computer Labs

In today’s digital age, computer literacy is essential. At Madhusthali Vidyapeeth, we provide students and faculty with access to the latest technology, including advanced computers, internet access, multimedia, and LAN facilities. Our dedicated staff ensures that students are well-trained in using computers and the internet across various fields, preparing them for the digital world.

Robotics

Our robotics program integrates cutting-edge technology into the classroom, fostering interdisciplinary learning and enhancing creativity and problem-solving skills. Robotics challenges students to think critically, design solutions to real-world problems, and develop programming and logic-building abilities. This hands-on experience encourages innovation and equips students with the skills needed for the future..

Smart Classes

Smart Classes at Madhusthali Vidyapeeth provide interactive, self-paced learning tools alongside teacher-led, media-rich presentations. The curriculum is pedagogically sound and visually engaging, mapped to the school’s academic framework. This content allows teachers to make abstract concepts more tangible, with the option to integrate their own learning materials to enrich the student experience.

Library

Our school library offers a vast collection of resources, including fiction and non-fiction books, maps, journals, periodicals, newspapers, and videos, supporting a wide range of subjects for study and reference. Students have regular access to the library, fostering a love for reading from an early age. Our librarians are always available to guide students in accessing resources and developing research skills.

Art

The Madhusthali campus is a space where students’ imagination and creativity are stimulated. Through artistic expression, students are encouraged to communicate ideas and emotions, using design as a medium. This approach enriches their individual experiences and helps them realise the importance of creative expression.

Music

Madhusthali Vidyapeeth offers weekly music lessons led by specialist teachers. Its growing collection of musical instruments supports students’ learning and nurtures individual talents, providing students with a creative outlet for self-expression.

Dance

Madhusthali Vidyapeeth offers a dynamic dance program that includes both Classical Indian and Western dance styles. Students have the opportunity to explore and express themselves through various forms of dance, from the grace and tradition of classical Indian dance to the rhythm and energy of contemporary Western dance.

Experienced instructors guide these classes and nurture students’ creativity while promoting physical fitness, coordination, and cultural appreciation. Dance is a regular part of student life, enriching each individual’s holistic development and encouraging artistic expression.

Leo Club

Madhusthali Vidyapeeth is proud to be a member of the international Leo Club network. This club teaches students the importance of community service and offers them opportunities to contribute to society as responsible members of local, national, and global communities. With over 6,500 clubs worldwide, the Leo Club fosters a lifelong commitment to helping others and making a positive impact.

Bharat Scouts & Guides

Madhusthali Vidyapeeth is a proud member of the Bharat Scouts & Guides, a voluntary, non-political educational movement founded by Lord Baden Powell in 1907. The Scouts & Guides program helps young people develop physically, intellectually, socially, and spiritually, guiding them to become responsible citizens of their communities and the world. The mission of Scouting is to create a better world through the values of the Scout Promise and Law.

Other Facilities:

The school ensures a 24-hour uninterrupted power supply and offers a full-fledged laundry service to meet students’ needs. Our tuck shop also provides essential items, ensuring students access daily necessities within the campus.

The Fine Dining

Our dining facility offers an exceptional culinary experience that delights the senses. With its elegant ambi-ence, impeccable service, and carefully crafted cuisine, every meal feels like a special occasion. Our chefs use only the freshest ingredients to create a variety of flavors and textures, ensuring that every dish—from warm bread and artisanal cheeses to indulgent desserts—reflects our commitment to quality, health, and excellence. Whether it’s a hearty breakfast, a light lunch, or a celebratory dinner, students leave satisfied and looking forward to their next meal. For students feeling unwell, meals are specially prepared under the guidance of our doctors and nurses to ensure they receive the proper nutrients for recovery.

Turf Court

Our state-of-the-art turf court is designed for a range of sports and activities, offering a soft, cushioned sur-face that’s perfect for training and competition. The court’s versatile design accommodates sports like bas-ketball, badminton, volleyball, handball, skating and recreational activities like frisbee and dodgeball. With advanced mat systems, the turf ensures optimal playing conditions year-round, providing students with a fun and fulfilling athletic experience, whether they are serious competitors or simply enjoying time with friends.

Coaching for JEE & NEET

In partnership with Sri Chaitanya’s Infinity program, Madhusthali Vidyapeeth offers top-tier coaching for JEE and NEET aspirants. Our experienced faculty provides personalised attention and mentorship, helping students bridge knowledge gaps through rigorous practice sessions, mock tests, and performance analysis. The program includes curated study materials, online resources, and doubt-clearing sessions to ensure stu-dents are well-prepared for the most challenging exam questions. We foster a competitive yet supportive environment, empowering students to achieve their academic goals.

Benefits of the program:

- Synchronised preparation for JEE/NEET and board exams.
- Periodic tests for continuous assessment.
- Tailored guidance and comprehensive study materials.
- Performance analysis to track progress.

The New Hostel

The hostel at Madhusthali Vidyapeeth is a true home away from home, offering a comfortable, secure, and welcoming environment for students. Our spacious, well-furnished rooms are equipped with modern amenities to ensure a relaxing stay. The hostel also provides recreational facilities such as a common room, gym, and outdoor spaces to encourage socialisation, fitness, and leisure. With 24/7 security, CCTV surveil-lance, and dedicated wardens, the safety and well-being of students are always a priority. Additional sup-port services, including laundry and medical care, allow students to focus on their academic pursuits in a comfortable setting.

Highlights of our Hostel

- Hygienic Kitchen: Meals are prepared in a state-of-the-art kitchen, with menus planned by a nutri-tionist to support healthy growth.
- Medical Facility: Our infirmary is managed by a qualified nurse who has ties to prominent hospitals in the city for emergencies.
- Mentor Teachers: Teachers serve as facilitators, mentors, and disciplinarians, regularly meeting with students to support their cognitive and personal growth.
- Well-Furnished Rooms: Each room includes individual beds with mattresses, study tables, chairs, and wardrobes for every student.
- Entertainment & Outings: We organise screenings of motivational movies and important sports events and “supervised outings” for hostel students.
- Security: Round-the-clock security, supported by CCTV cameras, ensures the safety of all students.

HEALTHY MIND IN A HEALTHY BODY

Promoting Cultural Ethos

Madhusthali Vidyapeeth enriches students with Indian and global cultural values. Weekly hobby classes introduce students to various forms of art, literature, and traditions from around the world, broadening their perspectives and deepening their knowledge. Monthly cultural events provide a platform for students to showcase their talents, culminating in a grand cultural evening at the end of the term, where parents are invited to witness and celebrate their children's achievements. Students also participate in National and International inter-school events.

Prakriti Sanrakshan Project (PSP) – Inclusive Regenerative Sustainability and Education Model (IRSEM)

The **Prakriti Sanrakshan Project** at Madhusthali Vidyapeeth is a holistic initiative aimed at conserving and regenerating nature through the IRSEM model. This project integrates the entire campus community, promoting sustainability with an emphasis on regeneration and healing rather than simply maintaining the status quo.

Key intervention areas include **water management**, **waste management**, **soil health management**, **plantation management**, and **permaculture design**. These elements are interwoven to create a resilient and sustainable ecosystem, with education at its core. The project involves participatory learning exercises, fostering awareness and responsibility among students, staff, and the local community.

The project's **short-term objectives** focus on implementing rainwater harvesting systems, initiating campus-wide waste segregation and composting, and enhancing soil fertility through Jeevamrit and plantation efforts. **Long-term goals** include establishing nature-based systems for food production, promoting biodiversity, and developing a training center for regenerative agriculture and permaculture.

The outcomes envisioned include improved groundwater levels, nutrient-dense food production, enhanced ecosystem health, and the creation of a sustainable, self-sufficient campus that serves as a model for environmental education and regenerative practices.
