CAMPUS VIEW

STRONGER | BRIGHTER | HIGHER

Education comes from all around, and it's integral. The principles are well twinned along with the academics to prepare the kids for the future. To me the very purpose of quality education is character building. Children are malleable, who can be shaped into persons of excellence by their teachers. I feel it is important for every child to enjoy a sense of achievement. Every child should be encouraged to perform to the fullest ability and due importance should be given to learning in areas beyond academics. An institution should be a living place that shapes children's lives and builds their character. Therefore to assess the school's performance only by its high academic scores is not sufficient, it is equally important for a school to be a place for happy children with a love for learning and sound value system. To achieve these objectives we need to work jointly with the parents of our pupils to create a climate for open exchange of views and experiences, supporting each other's quest for quality on all fronts.

I wish to create an atmosphere where the students may grow with a true spirit of tolerance and respect for all religions, reverence for elders, sensibility to their cultural heritage and courage to face the challenges of life. GDGPS, Gwalior extends a warm welcome and wish to all those who aspire and wish to have a better place for education and thereby creating young minds to flourish and prosper. Lead us to lead "your best Part of Your Treasure" to be the visionaries, who would bring about changes in the future.

In our mission, each academic or extra experience, each small interaction must build into a larger mosaic of understanding. Our constant aim is to raise awareness, broaden horizons, inspire debate and inculcate values that are sterling in quality.

Mr Manoj Jain
Chairman
GD Goenka Public School, Gwalior

"Success comes to those who work hard and stay with those who don't rest on the laurels of the past" We live today in a world that is so different from that we grew up, the one we were educated in. The world is changing at such an accelerated rate and we as educators today need to pause and reflect on this entire system of education. Are our schools well equipped to prepare our children to face the challenges that the future holds? This is the question that motivates us to go through a continuous process of reflection and hence we at GDGPS Gwalior, work at implementing a well-balanced curriculum to ensure that the children of today in our school will not just love their school years but truly be prepared to face life's challenges. "With you we exist to go miles in imparting education"

Dr. Mayuri Jain
Principal
GD Goenka Public School, Gwalior

OVERVIEW

Best CBSE School in Gwalior, Madhya Pradesh, India

GD GOENKA is an institution which was envisaged to provide young students with a healthy environment to nurture themselves cognitively, intellectually, artistically and athletically; along with imbibing our moral and cultural values, which will enable them to become responsible global citizens of tomorrow. At GDGPS, our curriculum is designed with the objective to constructively ignite our young students' minds and positively navigate their vibrant energy towards building a better and brighter future for India and the World.

We also firmly believe in creating an atmosphere for collaborative learning; wherein our students grow with experiences from the outside world – their surroundings, their families, their peers and through their deep bonds of friendship.

VISION

GD Goenka Gwalior stands tall to emerge as a centre of excellence and an epitome of success in the realm of education by introducing creative and effective solutions to meet the changing emotional, physical and educational needs of the students all across the globe, hence contributing a bit to the development of the societies and communities.

MISSION

GD Goenka Gwalior looks forward to prepare each student to become strong-physically, intellectually and emotionally by inculcating attributes of keen learning, serving the society and remaining associated with moral values along with being confident, creative and having a global outlook.

PHILOSOPHY

The school motto **HIGHER STRONGER BRIGHTER** takes its core idea from a quest for excellence, an insatiable thirst for knowledge and a limitless craving for the latest.

INTRODUCTION

“Fostering Paramount
Values, Multivalent
Competencies to
Enable, Empower
and Excel”

ACADEMICS

We develop future ready students and thus our motive is the overall holistic development of each child. Our subject is the "CHILD". We emphasize on creativity, critical thinking and analytical skills of the students and most importantly expressing and understanding their inner self. We not only prepare students for academic success but also enable them to face the challenges of living as a responsible global citizen.

The school is also equipped to take on the responsibility of inclusive education both in terms of infrastructure as well as trained and competent staff and the school achieves its objectives by maintaining a very healthy student teacher ratio with a class size of 30 students. Quarterly SMC meets ensure healthy partnership among all the stake holders of the school. The school is always open to suggestions put up by parents to facilitate the school management.

OVERVIEW

With a class size of around 30 students, we attract greater participation, interaction and coordination between students and teachers. We offer a total of 35 subjects in the academic and vocational stream at the Senior Secondary level. We lay acute emphasis on the education of our students that goes beyond the classroom and focus on the concept of a radical, child centred educational approach. The relevance of the students' academic and social growth is thus enhanced, enabling them to maximize their achievement.

ACADEMICS

“Interactive Learning to Nurture Curiosity, Understanding and Creativity”

“Holistic Learning
Beyond Academics
with Focus on All
Round Personality
Development”

Goenkans are taught to take responsibility to do their bit to be responsible citizens and conserve resources. Programmes such as Earth Day Cleanliness Drives, Plantation Drives, Nature Walks emphasize the importance of having a strong commitment towards maintaining environment. Visits to orphanages and old age homes are included in the school programme. In addition to this, free medical camps are also organized which include distribution of medicines free of cost.

BEYOND ACADEMICS

“Dedicated Career
Counseling Cell
to Guide Students
Towards Right and
Bright Future”
