About us

Nestled atop Naukuchiatal's scenic hill in the heart of Uttarakhand, India, G.D. Goenka International School Nainital is a fully residential co-educational institution, affiliated with CBSE, New Delhi. Our separate hostels for boys and girls offer a secure and nurturing environment.

Perched on this hill, our campus provides breathtaking views of the lush, forested hills and the enchanting Naukuchiatal Lake below. As one of India's top 10 co-educational boarding schools, G.D. Goenka International School Nainital stands as the epitome of excellence in residential education. It's the perfect choice for those seeking the finest boarding school experience in India.

- ✓ We encourage daily moments of silence to unveil the Art of Introspection, sparking inner self-discovery.
- ✓ Our inter-school competitions with other G.D. Goenka Schools allow students to compete on a national stage in various fields, striving for excellence.

Why Send to Boarding School?

Choosing a boarding school is a strategic decision for your child's education. These schools offer an intensive academic environment, smaller class sizes, and dedicated teachers that foster academic excellence. Beyond academics, boarding schools emphasise character development, nurturing independence, responsibility, and resilience.

The diverse social environment exposes students to peers from various backgrounds, promoting cultural understanding and strong social skills. With an array of extracurricular activities and sports programs, students can explore their interests and develop a well-rounded skill set.

Pollution Free Campus

Your child's physical and mental development hinges on their environment. In today's world, urban air quality index (AQI) levels are soaring, posing a threat to young minds. At G.D. Goenka Nainital, we refuse to let pollution impede your child's growth. Our pristine, toxin-free campus is nestled amidst nature, providing a pollution-free sanctuary for your child's education. Here, we offer world-class learning facilities and endless opportunities for growth and exploration. Secure your child's future with us

IMPROVED ATTENTION

Cleaner air enhances focus and concentration.

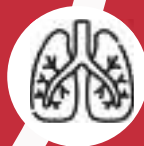

REDUCED AGGRESSION

Lower pollution levels contribute to a calmer demeanor.

SHARP MEMORY

Better air quality supports cognitive function and memory

BETTER BREATHING

Clean air leads to improved respiratory health.

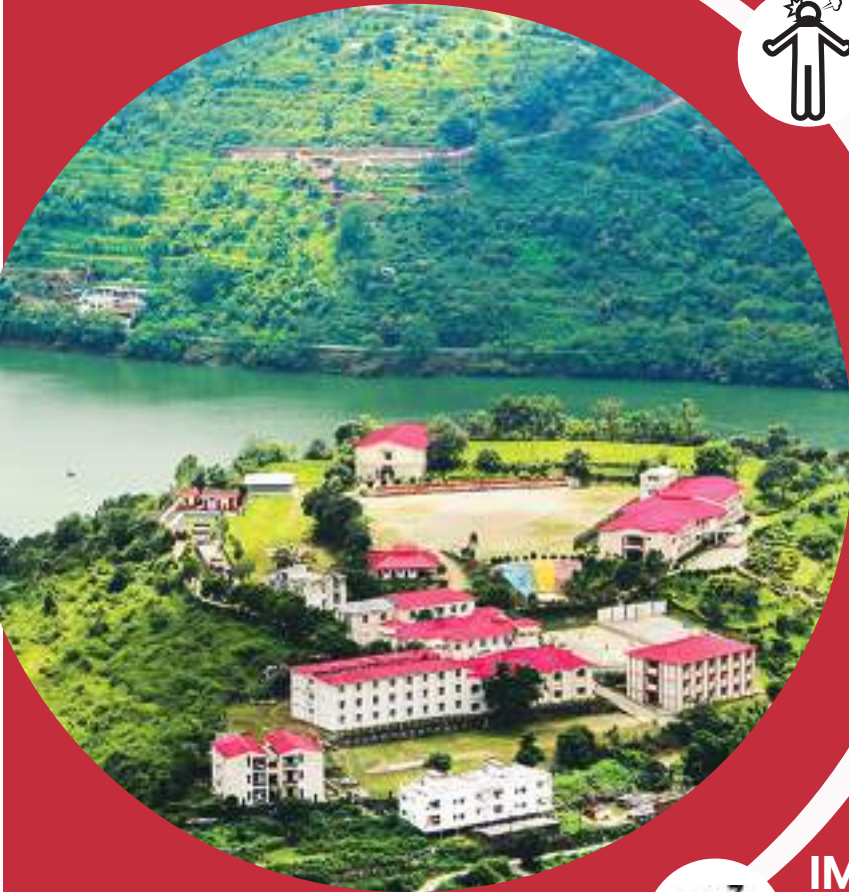

IMPROVED SLEEP

Lower pollution fosters better sleep quality.

IMMUNE HEALTH

Cleaner environments can boost overall immune system function.

FOREIGN EXCHANGE PROGRAM FOR INTERCULTURAL LEARNING

At G.D. Goenka International School Nainital, we recognize the shrinking boundaries of our world and embrace the concept of a global family. In light of this, our management has introduced foreign exchange programs to instill the values of intercultural learning. These programs offer our students the unique opportunity to interact with peers from diverse cultures, regions, and traditions, fostering a spirit of harmonious coexistence, respect for differing perspectives, and enhanced tolerance.

ASSOCIATIONS

At our school, we offer a diverse range of sports and games that nurture students' athletic talents, enhance their gross motor skills and coordination. Our experienced instructors tailor training regimens to each child, utilizing our top-notch facilities, including tennis and basketball courts, football fields, cricket grounds, a volleyball court, swimming pool, gym, and table tennis area. We proudly support the International Award for Young People (IAYP), a global youth empowerment program free from religious or political affiliations, and collaborate with AFS, an international non-profit organization, to provide intercultural learning opportunities. Additionally, our commitment to safety is evident through SAFE CAMPUS, which equips our campus community with safety knowledge and self-defense techniques for students, creating a secure learning environment.
