LOCATION

ABOUT SCHOOL

A good residential School should feel like home and students like siblings. At Bloomingdale, we are a small and Happy family. The bond built here tend to last a lifetime. Our team ensure that each child's emotional and physical needs are attended to.

We know how important food is to life. So all meals are balanced and nutritious, with hygiene being a priority. To build a sense of community, teachers and students are served meals together. Since we encourage respect for individual beliefs and food preferences we provide Only Vegetarian Food in campus and Non Vegetarian food will be provided to the students in a Restaurant outside the School Campus only on Sundays Children can opt for Jain food if necessary. Bloomingdale provides comprehensive medical care with a well equipped infirmary, resident nursing staff and regular visit by Reputed Physician. Emergency facilities and specialist are also available close at hand. With an optimal balance of academics and extra-curricular activities, backed by dedicated faculty and staff, it is little wonder that our aluminiun go on to excel in diverse domains all over the world the world. The self-discipline and independence we inculcate help them become responsible global citizens.

BLOOMINGDALE FAMILY

Rich history - Bright future

Every child is a different, every child is unique. At Bloomingdale School and Junior College Panchgani we recognize individuality.

Students are encouraged to discover themselves, to be all that they can be since our inception. 25 years ago, the essence of Bloomingdale has been to keep things Child - centric.

This assumes great significance in today's day and age. Where career choices do not have to be restricted to the lawyer- doctor- engineer triads.

The youth of today can make a successful career in any field. They can carve a niche for themselves doing what they love. We help every child realize his or her potential by providing a wholesale environment that facilitates all round development. Our carefully curated curriculum is about much more than just Academics. Learning in Bloomingdale includes various programs, which gives children a chance to explore a variety of activities in creative arts, sports, music, Information Technology and different life skills.

This encourages self expression which is ably supported by a passionate, proficient and dedicated team. It all comes together to Pursue Excellence.

OVERVIEW

Formula for success

Affiliated to Maharashtra State Board of Secondary and Higher Secondary Education (S.S.C & H.S.C)

Bloomingdale has history of 25 years of academic excellence. This is, in no small part, but a result of our highly qualified teaching staff.

They are deeply committed to imparting knowledge with no more than 30 students in a division.

Each child is assured of personal attention. Our teachers help them to build on their strengths and address challenges that they might face.

Spacious classrooms with teaching aids are ideal for learning.

Along with an

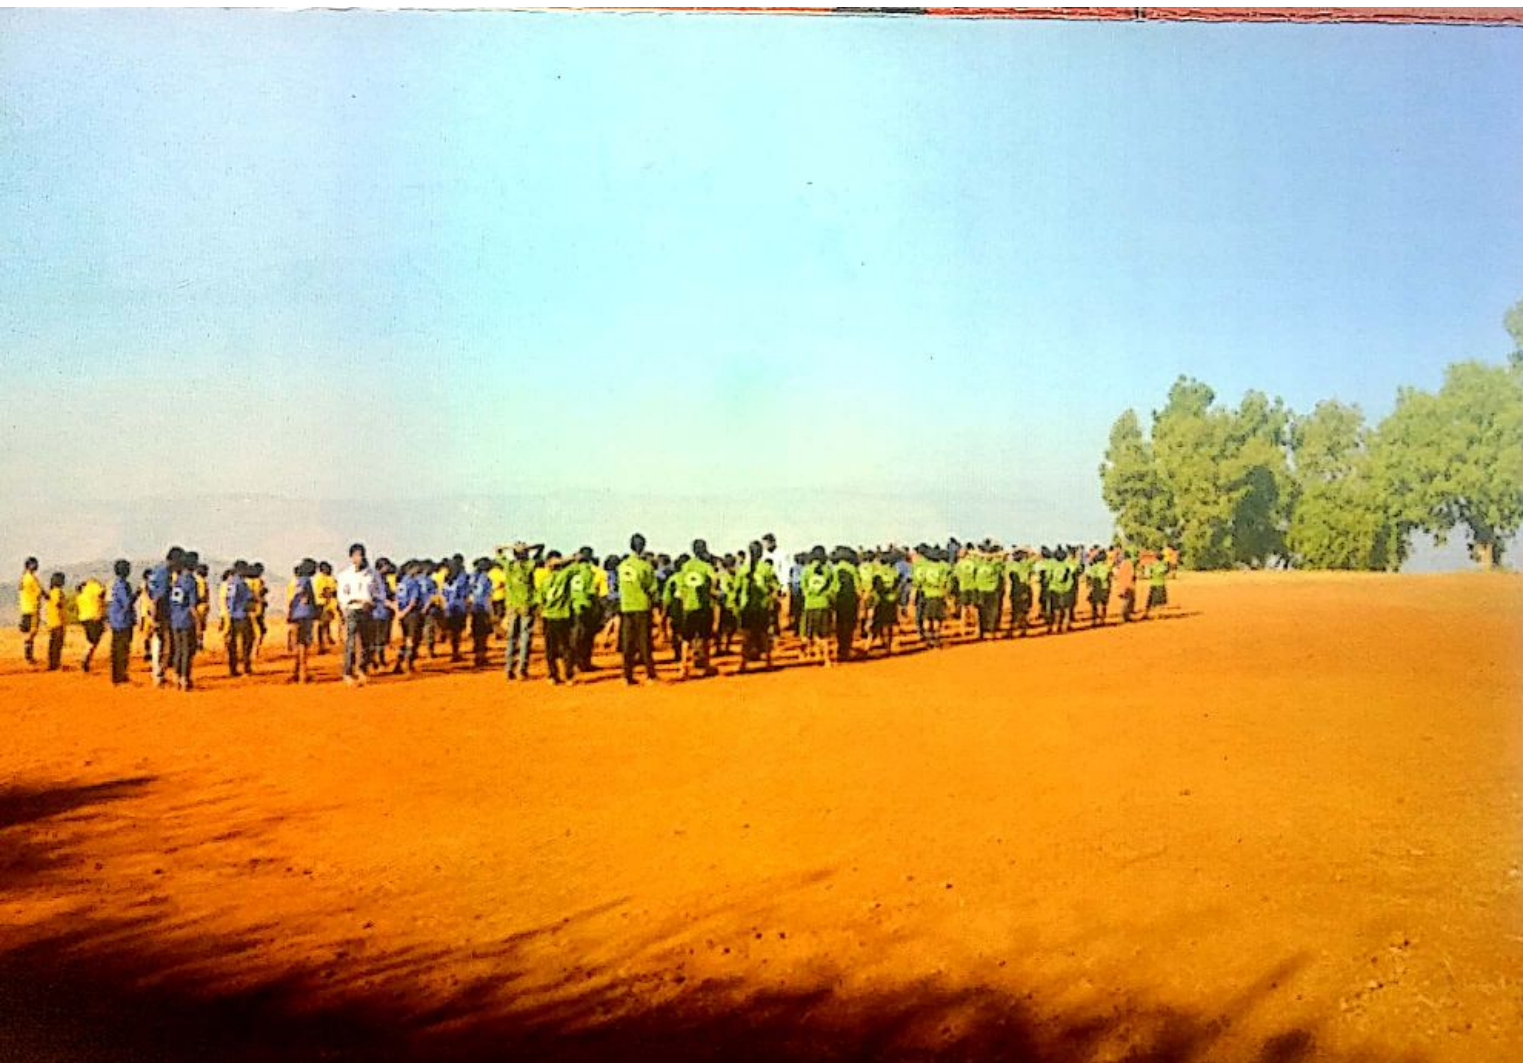

environment that helps students develop an interest in academics. Bloomingdale has excellent infrastructure. Our smart classroom has latest teaching aids. And the library is well stock with all forms of literature, Educational DVDs.

We discourage our students from learning by rote and prefer that they understand concepts. Hence we have well equipped labs for Physics, Chemistry, Biology, Maths and Information technology the practical knowledge that they imbibe here goes a long way in futureing their academic pursuits.

ACADEMICS

All Round Development

All Round Development

At Bloomingdale we lay a strong emphasis on complete development of our students.

We nurture their talents to help them become well-adjusted members of society.

All students are exposed to a wide range of extra-curricular activities. They are actively encouraged to pursue the ones towards which they are naturally inclined.

We begin by identifying every child's interest by observing them for a few days.

This immerses them in a number of different sports, art, music and other creative skills. Once their aptitude surface we hone them in to abilities of value. They are given a platform to showcase their skills for family and friends.

We conduct and participate in a number of inter school sports tournaments and have generated many awards. To help motivate and guide the students we invite renowned personalities from various fields. Whatever your child's interest may be it is very likely that they will find an avenue to discover, master and express them.
