About Child Education Society

The odyssey of the Child Education Society began when a seed was sown in 1944 and nurtured by the dynamic vision of its founding fathers like Shri K.K. Khullar and Shri L.R. Channa and now led by an inspiring stalwart, Shri Nikhil Channa. Owing to their ceaseless efforts, the iconic Child Education Society now boasts of 26 stellar assets established across India.

The schools provide holistic education, fostering the precepts of inclusivity. We have grown and constantly evolved over eight decades of our rich legacy and have earnestly responded to changes in the contemporary world while remaining true to our rich heritage, values, and ethos.

Reimagining and redesigning learning experiences have been our driving energy. Our educators are trained to utilize meticulously planned innovative pedagogies to further augment the skills and acumen of our young learners.

Our ergonomically planned infrastructure has been specifically designed to holistically engage the students in safe environs. Consistently ranked among the top schools, our schools and educators continue to be renowned for pioneering achievements and accomplishments.

Steadfast in our commitment to educate and empower, we remain dedicated to nurturing and inspiring our learners to be thinkers, creators, and effective nation builders of tomorrow.

About the School

Bal Bharati Public School, Noida is a co-educational institution affiliated with the Central Board of Secondary Education (CBSE). Established by the Child Education Society, the school commenced its journey on April 20, 1992, with 180 students in the Pre-Primary section. As of now, the school boasts a total enrollment of 2806 students, spanning from Pre School to Class XII.

The School Managing Committee is headed by Shri Nikhil Channa, a budding entrepreneur and social activist with Ms. Asha Prabhakar as the School Principal. The Managing Committee comprises eminent persons from different walks of life. It includes former civil servants, defence service personnel, educationists and other prominent residents of Noida.

Notably, BBPS Noida students showcased outstanding performance in the All India Senior School Certificate Examination (Class XII) for the academic year 2023-24. Out of 168 students who appeared, an impressive 167 secured the First division. The school achieved a rare distinction with 13 students scoring centums in various subjects, achieving an overall school average of 84.50%. Similarly, in the All India Secondary School Examination (Class X), all 181 students secured a place in the First division. Remarkably, there were 67 instances of perfect scores (100/100) in various subjects, and the school's average achievement stood at 87.71%.

Bal Bharati Public School boasts a team of highly qualified and experienced teachers dedicated to imparting quality education and guidance to the students. The staff actively participates in workshops to enhance their teaching and mentoring skills, facilitated by the In-service teacher training center. The school's smooth functioning is attributed to the efforts of not only the teaching staff but also the contractual, office, and support staff who contribute to the overall success of the institution.

FLIGHTS OF KNOWLEDGE

PRE PRIMARY DEPARTMENT

The foundational years are nurtured in an environment designed to foster curiosity and a love for learning. Aligned with the National Curriculum Framework (NCF) 2022 and the National Education Policy (NEP) 2020, the curriculum in Pre School is specifically crafted to ensure school readiness, emphasizing pre-reading, language, and numerical skills. This approach lays a secure foundation for literacy and numeracy. Throughout the year, a myriad of activities is organized to stimulate children's ideas, enhance their awareness of shapes and spaces, develop effective communication skills, and instill collaboration through teamwork.

PRIMARY DEPARTMENT

The Primary department is dedicated to fostering the holistic development of every child, emphasizing the balanced growth of their physical, cognitive, aesthetic, and spiritual dimensions. For students in Classes I to V, we adhere to the CBSE Curriculum, designed to instill healthy study habits. Beyond the fundamental focus on the 4 R's (Reading, Writing, Recitation & Arithmetic), learners also cultivate skills such as discovery, observation, classification, collection, drawing inferences, and reasoning. Our educational approach underscores the importance of experiential learning, incorporating projects, presentations, group discussions, debates, and lab activities. The smart class environment is thoughtfully designed to facilitate naturalistic and exploratory learning experiences.

MIDDLE & SECONDARY DEPARTMENT

The school aims at sustaining an environment wherein students can excel in scholastic activities, demonstrate superior learning and develop intellectual capacities and skills that prepare them for service to the society. Emphasis is given on honing of skills and competence of each student to bring out their latent talents and enable them to realize their potential, and blossom subsequently. Today education aims at being broad-based and eclectic and knowledge of a foreign language is always considered an added qualification. The school has provision for teaching of French language at the Middle and Secondary school level.
