From Management's Desk

Dear Parents,

Greetings and an exuberant welcome in the new academic session!

It gives me an immense pleasure to put forth a brief scenario of our schools, Raath International Schools, before you. Walking down the hallways of the school, every day, one can hear the chatter of eager minds, the shouts of excitement from the victorious athletes, the thump of dancer's feet and the sound of melodious harmonizing voices, they mesmerise all the entrants. The perpetual energy, movement and enthusiasm of team RIS make the learning temple the most lovable place for the young children.

We believe, we are the school with a difference. We value individual's creativities, innovative approach to learn and strive hard to infuse all traits in our students. We aim not to just impart knowledge to the students but also to inculcate wisdom, compassion, humanitarian spirit, sense of inquiry, research, analytical thinking, an ethical approach, ideally blending of traditional ethos with modern scientific temperament. We facilitate children the importance of tolerance and respect for one other's culture, discipline, values and integrity which are the core foundations of our schools.

The school encourages all students to participate in a variety of co-curricular activities in dance, art, drama, sports, debate, exhibition, social work etc.

Our endeavors are to ensure that each child of the school receives love, dignity and acceptance of diversities. The faith that each stakeholder has reposed in us gives us an additional sense of responsibility and humility. I thank the parents for their support and I am sure that they would continue to provide us with valuable suggestions in the future.

Looking forward for your valuable suggestions and opinions,
Seeking God's abundant blessings,

From Principals' Desk

On behalf of entire RIS fraternity, we would like to welcome all the pupils of Raath International Schools which are well known for their best board results, NTSE, STSE, KVPY, NEET, IIT, NDA etc, outstanding infrastructure, healthy ambience, perfect faculty and supportive staff. RIS is a learning temple where students learn to excel. The School aims at five factors of the student's growth i.e. Intellectual, Social, Spiritual, Emotional and Physical as complete schooling makes a child perfect citizen.

Today, the role of a school is not only to pursue academic excellence but also to motivate and empower students to be life long learners, critical thinkers and productive members of an ever-changing global society. A school must try to provide its students with an atmosphere for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence. This can only be possible if given conducive learning environment, right guidance, perfect platform & exemplary discipline. The talent, skills and abilities of each student need to be identified, nurtured & encouraged so that he / she is able to reach greater heights. Student need to be provided with a platform to think, express and exhibit skills empowering each student to face the world.

At Raath International Group of Schools, our approach to learning is child-centric, activity-based learning, inculcating a scientific temper and a spirit of free enquiry. In our curriculum, the student is the primary focus, and each child is involved in the learning process. Albert Einstein said that "The important thing is not to stop questioning." Hence, the purpose of the education received by our children is to replace an empty mind with an open one. We motivate our teachers to provide an atmosphere for discovery who encourage students to be creative and curious instead of routinely loading the children with academic burden.

The school is also devoted to prepare each child to develop a special field of interest so as to becomes the best showcase of his/her particular type of talent. We constantly endeavor to always live up to ideology and inculcate this into every thing we do, with the aim that we will be able to ensure that the children grow to their full potential, while constantly being groomed to pass out as men and women competent to bear responsibility in all walks of life. In the end we would like to thank the parents of our students for always having bestowed their faith and confidence in us.

Let your child receive the best schooling experiences...

From Academic Director's Desk

Dear Students / Parents,

Any institution works smoothly and attains recognition and its place on the ladder with team-work and mutual trust. The parent body is an integral part of this trajectory. Their continued involvement, collaboration and motivation to the student community will lead to the accomplishment of personal as well as school goals.

To the students, I have one message to give. "Dream big and work towards your goal". We, at Raath International School, strive to see your beginnings culminate in unparalleled success. And, success comes to those who are good human beings while at the same time excel in scholastic as well as co-scholastic fields.

Assure you that your ambitions will be accomplished through the able guidance of the highly accomplished and experienced faculty of teachers. In return, the school seeks superior ethics, positive attitude, social and moral values and discipline.

To conclude, let's all join hands to take off on this journey to higher orbits of excellence.

With Best Wishes to All

About the School

Raath International School (RIS) has been founded in 2004 under the aegis of Raath Vidypeeth by a versatile, visionary, social activist, and industrialist Shri Balwan Singh Yadav in the vicinity of lush green Aravali hills at Dughera, Behror (Alwar), later on at Alwar City, Rajasthan and after that at Kund-Rewari, Haryana (India). Schools are the CBSE Affiliated, English Medium, 10+2, Co-educational, Day cum Residential, with Science, Commerce and Humanities stream. RIS, Its location is convenient and approachable from all the corners of the country. Its state of the art infrastructure, outstanding facilities, experienced and highly qualified facilitators (faculty), academically conducive environment, plethora of activities, experimental learning, best sports and games facilities, international standard hostels separately for boys and girls, sound academic and non academic exposure help the students to achieve the highest level of success in conformity with their capabilities and potentialities. It is the determination of accepting insurmountable challenges with indefatigable spirit, passion to reach zenith and dedication to perfection which give RIS the strength to make itself adaptable to all the innovative changes by implementing the tailor made curriculum based on global perspective.

Since its inception, RIS has been playing the leading role in shaping the young aspirants for their sound growth of intelligence, emotion and spiritual traits holding the torch of hard work, humility and honestly.

Facilitators

Success of vision, mission planning & utility of facilities depend upon faculty. RIS maintains hand picked highly qualified, innovative, energetic, passionate and CBSE / ICSE experienced team of educators that remains dedicated to duty and bring out the best from the students, nurture them, shape them according to the global need. RIS organizes educational seminars, workshops and orientation programmes for the faculty to update them with changes happening in the field of education across the globe from time to time.

Classrooms & Teacher-Students RATIO

Classrooms are octagonal shaped equipped with all modern amenities needed for comfortable learning environment. Classrooms are also equipped with a camera to keep eye on the students in the absence of the teachers to ensure discipline all the time. The school maintains a good healthy ratio between students and facilitators to have personal attention and care in the classes, so that each child in the class can be cared perfectly.

Smart Class

Infrastructures and facilities of RIS are of international standard so that students can get benefit of global learning technology, study materials, activity based learning, exact knowledge, thought provoking content, evaluation and competition with toppers of the world through fully equipped digital classroom and to enable students to get visualization of the subtle concepts of the subject matter.

Sports Activities

Raath International School offers its students a chance to learn and excel in a wide variety of sports related activities which include athletics, Football, Cricket, Volleyball, Basketball, Throw Ball, Kho-Kho, Kabaddi, Tennis, Badminton, Table Tennis, Chess, Swimming, Horse Riding, Billiards, Snooker, Golf, Archery etc. A dedicated team of coaches prepares a time table in order to pursue the activities of sports & games. All the day scholars are provided sports and games facilities and coaching as per their interest.

Computer Labs

RIS maintains two computer labs which are very spacious, well equipped with modern PCs, internet connectivity, power back up round the clock for juniors and seniors. Efficiency in Computer Education can never be neglected. Having perceived this veracity, RISians are exposed to Hi-tech computer labs with the latest softwares to quench their thirst of ever changing technologies of the world. It is mandatory for all the students to learn computer from the beginning.

RIS believes in experimental Learning

RIS believes in experimental learning for all and it maintains well equipped Physics, Chemistry, Biology, Maths, Commerce, Geography and Social Science Labs, with attendants and adequate safety measures. These labs provide ample platforms to the young scientists to quench the thirst of their researching minds. Lingua Lab facilitates the students to polish their pronunciation, accent etc as per global standard of English language & other labs pave the right direction to experience experiential learning which is the soul of the NEP.

RIS Learning based on activities

Teaching-learning process at RIS is full of activities which adequately benefit to the interest of children of different learning levels like language (Eng. and Hindi) teaching comprises of activities i.e. Poem recitation, Calligraphy, Creative writing, Debate, Declamation, Extempore, Quiz (Mind buster), Dramatization of plays etc. Teaching of Science, Social Science and Maths comprises activities i.e. making of models, projects, investigating reports, Seminars, workshops, Quiz content, Charts symposium etc. The pedagogy offers RISians excellent opportunities to learn, assimilate and develop multi dimensional skills at RIS.

Excursion Trip to Manali

Co Curricular Activities

The aim of education at RIS is multifaceted personality of 21st Century. In order to transform the saying into practically, organization of Co-curricular Activities is indispensable as they play an amazing role in holistic development of a child. The school has a well defined calendar of Co-curricular activities, separately and systematically planned for different groups of students. House wise participation performance of students in the Co-curricular activities is observed carefully and recognized appropriately under the supervision of experts of different streams. Plethora of activities in Art and Craft, Music, Dance, clay modeling, collage making, Drawing, Painting, Sports etc. enhance skills in various streams of learning domains.

Library Resource Room

Our school has two well stocked library, staffed adequately to keep the library in good order and to guide the students during their library periods to make the best use of the library and the books. The stock is constantly expanded and updated to provide meaningful reference material to students teachers. All have access to the library which follows the Dewey system of classification. There is a special section for 'oversight books' for the use of the students of Std. X, XI & XII. This section contains supplementary reading materials like parallel textbooks, reference books, maps and examination papers. There is a special section for teachers. There is also a video Film Library of informative and educational films, catering to the needs of different age groups.

Tuck Shop & Canteen Facilities

The school maintains quality tuck shop and canteen facilities in the premises in order to provide day-today's requirements of the hostellers and residential teachers. Since the school is away from the city, it offers all the basic quality needs to students such as stationeries, uniforms, branded eatables etc. To maintain uniformity in uniform, books, notebooks etc., it is made available to all to purchase the things from the tuck shop.

Medical Infirmary Facility

The school has a small clinic under the charge of a medical officer. First aid dressings for all kinds of wounds and sprains of the children are taken care. A routine medical check-up is carried out for all the children in the school. In case of serious ailment, students are taken to reputed hospitals of nearby cities. In case of sickness / uneasiness in the school, students are provided a safe room equipped with all the required first aid material to help students.

Transport Facility

The school offers excellent safe and comfortable pick and drop facility to the students in the radius of 35 kilometers of the school by a fleet of buses and vans. The licensed drivers and caring attendants ensure safety to all. The safety measures like hand rails, emergency windows, bus door, speed control device, first aid box etc. to make safe transportation of the students are kept in priority of the Management.

Career Counseling & Guidance

Right counseling works like panacea in the career of a student.

RIS believes in actions not in projections, Raath International School strives the need of constant counselling and career guidance for its students. Modern era is full of complexities and adversities, hence the need of a counselor is imperative for the students during their schooling which keeps them career oriented, helps them to form good habits, enhance concentration in studies, develop optimistic attitude and aptitude, ability of selection of right stream and career and more importantly make them psychologically, emotionally and socially strong to meet with challenges successfully ahead in life.

Foreign Languages

In the modern age of globalization, the knowledge of foreign languages seems indispensable part of curriculum to enable students to get a job in MNC's and to facilitate them to communicate their ideas with the people of the other countries. RIS, too, believes that its students must not be deprived of this facility, so from the coming session, two foreign languages i.e. Japanese and French are in proposal to be introduced and those who desire can avail this facility as per their choice and aptitude.

RIS

is where dreams come true with hardwork, discipline, dedication and sincerity, thus developing a complete individual.
