Introduction

THE ASIAN SCHOOL

Set within an ultra-modern 15-acre campus,
The Asian School is ranked among Uttarakhand's
Top 5 Day cum Boarding schools.

To bring together the traditions and ethos of India and modern technology in an environment where every child is an individual, The Asian School offers English medium, secular, co-educational education from classes Nursery to XII. The School is affiliated to the Central Board of Secondary Education. There is no better place for a child to appreciate the joys of nature and to become environmentally conscious. The view of the Himalayas from the school, the abundance of trees and the chatter of a myriad variety of birds enhance the joy of learning. We believe that responding positively to the genuine needs of our students determines our success.

From the Principal's Desk

Ms. Ruchi Pradhan Datta

“Your **Tomorrow**
is a **result** of what you do
Today by **over coming** the
Errors of **Yesterday.**”

As an educator, I believe that it is important for education to be based on ‘drawing out’ rather than ‘drilling in’ and that is the philosophy that we wish to encourage.

Since time immemorial there have been discussions about what is taught in schools. Socrates was fed poison and the price paid by William of Ockham and Galileo is common knowledge; however everyone involved needs to appreciate the fact that what was right yesterday may not be so today. Education is dynamic and constantly evolving.

We too as a school, are taking baby steps in that direction.

The touchstones of education thus far have been Reading, Writing and Arithmetic but in the present, unprecedented scenario we have redefined it to Rethink, Realign and Redesign.

I’m positive that our resilient, innovative students supported by their school and family will overcome with aplomb any obstacle that life chooses to throw their way and towards that I wish them Godspeed!

To end in the words of advice columnist, Ann Landers, “It is not what you do for your children, but what you have taught them to do for themselves, that will make them successful human beings “

Admission Procedure

Following registration, all candidates will be assessed on their academic capabilities and performance in English, Mathematics and General Science. Assessment will be based on minimal development levels required at the conclusion of the previous class, in keeping with the school syllabus.

The assessment will be followed by an interview which will be aimed at determining the congruency of the parental point of view with that of the school and interpreting the subject scores of the students with regard to their potential, aptitude, personality, intelligence, sporting skills, aesthetic and creative abilities and any other criterion deemed notable by the admission committee. Failure to attend the above interview will cause the registration to lapse. In such case, the registration will be considered null and void and the registration fees will be forfeited. The admission committee will be the final arbitrator in such cases and may at its discretion conduct another test in genuine cases, if so justified.

Required Documentation

Eligible applicants who are offered admission must avail of the offer within the specified time by paying the necessary admission dues as specified in the current year's fee structure and returning the duly signed indemnity agreement (on judicial stamp paper) to the school.

Applicants must also submit a copy of Aadhar card and the medical history form duly-filled, failing which the offer of admission will lapse. Along with the duly-filled admission documents, the applicants also have to submit the original transfer certificate and the report card from their previous school.

Withdrawals

If the student is withdrawn or does not join before the start of the academic year Registration, Admission and Term Fees shall be forfeited in favour of the school and the remaining Imprest* and Security fees shall be refunded.

Parents who withdraw their child mid-term will not be entitled to any refund of fees. Parents who propose in advance to withdraw their child in a given term must give due notice in writing to the Principal no less than 90 days before the start of the new academic session, failing which the security deposit will be forfeited.
