Junior College

Nurturing minds,
Shaping Future Internationally

WHY VIJAYBHOOMI?

- Partnership with SIS Group of Schools
- World Class Infrastructure
- AS & A-Level Program
- Customized Learning
- International Pathways

The VSIS Junior College Program also builds qualities needed for the 21st century through our **PACE** initiative.

Perseverance

We help our learners to understand adversity & persevere. We work with them very closely in their journey towards their own goal.

Analytical Thinking

Students are taught to analyze before solving problems. They test predictions and generate solutions. They learn to plan, prioritize and act.

Communication

Students are given opportunities to work in teams. They learn about collaboration and communication skills.

Entrepreneurship

Students will apply their knowledge across many disciplines. They will be exposed to the fundamentals of entrepreneurship.

Leadership and Internship Programme

We give our students several opportunities to participate in relevant conferences such as Model United Nations, including sustainable development goals (Few are mentioned below).

From hotels, hospitals to the automobile industry, our Internship Programme aims to provide practical experience to our students across different industry sectors.

Upon completing of their internship, students are awarded internship certifications from the school, which help enhance their future portfolio.

University Guidance Programme

Our University-Guidance programme provides support for students in their decision making and application process for university or colleges in the country & international universities of their choice. In addition to individual counselling, there are a number of workshops & presentations run by our University Advisors for students & parents, to help in planning and making decisions around university choice.

VIJAYBHOO MI JUNIOR COLLEGE

The SIS Group of Schools

SIS, established in 1996, goes beyond being a school—it's a supportive companion for parents and students. Offering Singapore, Cambridge, and IB curriculum in a family-like setting, our network encourages personalized learning.

The Cambridge Programme at VSIS

During high school (JC1 and JC2), VSIS follows the rigorous International Cambridge Program (AS & A-Level). Recognized globally for its challenging and comprehensive nature, the Cambridge program is renowned.
